

WOULD ELECT PRESIDENT
A TERM OF SIX YEARS

Then Make Him Forever Ineligible
For Re-election, Says Champ.
Clark of Missouri.

WASHINGTON, Jan. 3.—Extension of the presidential and congressional terms of office is favored by Representative Champ Clark of Missouri, who probably will be speaker of the next house. "I am for amending the constitution," said Mr. Clark today, "so as to elect the president for one term of six years, and make him forever ineligible for re-election. Every time that there is a president extraordinarily popular, a lot of fools vote him for a third term."

"If the present term is made for six years, I am in favor of making the term of congress three years instead of two. Then the states, feeling that that rule would have an election every three years, would be in favor of electing both the president and the representatives in congress on the last Monday in August, and the members of congress on the first Monday in October."
