## UNKNOWN MAN KILLED ON C.P.R. AT HAMILTON

New Yesterday Police Station Opened  
Vest End Credit to City—The Men in Charge.

HAMILTON, Oct. 30.—Another railroad accident, with fatal results, occurred here today, when the C. P. R. train from Toronto, carrying the afternoon mail and passengers, was struck by a motor car driven by Stephen Hawgill, 75 Riverside-avenue, Sunday night, at the intersection of the tracks and the bridge. The train was stopped within a short distance when the accident happened, and the driver of the motor car, who was a Hamilton resident, rushed back to the engine, where he was killed. The body of the man was found when the train was stopped. The man was about 30 years of age and was a black man. He was wearing a dark suit and a hat. The cause of the accident is not yet known. The police are investigating the case.

Coroner Griffith will open an inquest tomorrow evening.  
New Police Station.  
Inspector David Coulter, who was promoted to his present position when the Hamilton police station was reorganized last spring, has been a member of the force for thirty-two years. He is a constant sufferer from rheumatism, and his recent illness has been regarded as a fitting recognition of his long and faithful service. Sergeant Hawkins was promoted to the rank of sergeant, and at the same time Patrol Sergeant May and others were promoted from the ranks.  
The distinction of making the first arrest in the newly organized district belongs to P. J. Ince, who to-night brought in Thomas Gibbons on a charge of being drunk.  
The reorganization of the department also has brought about some changes in the western district, and Patrol Sergeant Thomas Bettles, who came up from the ranks when the other promotions were made, assumed his duties today.

George Peters, a Hagersville Indian, was injured on the tracks today. He was struck by a train and is now in the hospital.

## A Mother's Cares Destructive to Health

ANEMIA, BAD BLOOD, HEAD-ACHES AND LASSITUDE VERY COMMON.

Mrs. Wilkinson's Letter Gives Advice That Every Mother Can Well Follow.

From her home in Newton, where she resides with her large family, Mrs. Wilkinson writes: "For years I was a constant sufferer from anemia, and the distress and pain caused me, coupled with ever-increasing fatigue, made me weaker day by day. Constant headaches, specks before my eyes and attacks of dizziness made me feel as if I were not worth living. My constitution was completely undermined, and the constant pain in my head and back was a constant reminder of my condition. I was a sick woman all day. I began to take Dr. Hamilton's Pills, and the improvement, although slow, was sure. I gradually grew much stronger, and my appetite grew much stronger. I felt happier and more contented and the sickly pallor of my face was replaced by a bright, rosy color. I proved that a strong medicine was at work. In a few weeks Dr. Hamilton's Pills brought me from a condition of debility to robust health."

You can obtain the same results by using Dr. Hamilton's Pills—be sure of the substitute that offers you anything except Dr. Hamilton's Pills, 25c per box, or five boxes for \$1.00, at all dealers or the Catephosphene Company, Kingston, Ont.

THE LADIES' AUXILIARY MEETING.  
The Ladies' Auxiliary of the Church of the Latter Day Saints on Sunday celebrated Thanksgiving Day by holding a bazaar in the church hall. The bazaar was a success, and the proceeds were used for the benefit of the church.

Cab Driver's Joy Ride.  
Joseph O'Hara, a cab driver, who resides at 62 Power-st., was driving his car around yesterday and imbibed so much of the joy of the day that he became very drunk. He was driving his car around the city, and his behavior was very reckless. He was finally stopped by the police, and he was taken to the hospital.

New Factory for Aymer.  
ATLANTIC, Oct. 30.—The Aymer Company, 1111-1113, has purchased land on the G. T. R. tracks, just west of the station, and will build a new factory there. It is expected that work will be commenced on the foundation this fall.

Looking After German Railway Employees' Health.  
The human element in railroading is under close observation at the moment. It is believed that a better physical condition of the men is essential to the safety of the railway. The company is taking steps to improve the health of its employees, and is providing them with better food and living conditions.

CHURCH IS INACTIVE IN FIGHTING LIQUOR.  
Rev. B. H. Spence Thinks Mural Decorations Absorb Undue Attention.

"More money can be secured in Toronto churches to fight liquor and the angels on the ceiling than for temperance work," said Rev. Ben H. Spence of the Dominion Alliance in a speech at the banquet last night at Cooke's church in honor of the delegates attending the eighth annual convention of the Brotherhood of Andrew and Philip in Canada.

The speaker referred to the government statistics with reference to the increase in the consumption of liquor in 1911 as against that of 1910, remarking that, taking 10 years as a basis upon which to figure, there had been a decrease in the consumption of liquor in Canada. He said the men interviewed by The World with reference to the spread of local option, were not leading temperance men, and were trying to explain away the liquor problem as it existed in Toronto. He called on the church to get into action.

Wipe Out the Bar Room.  
"Young men do not learn to drink liquor at home," he said, "but in the bar room, where they are almost invariably treated to drinks by a friend." He said the churches of Toronto had had five times more capital invested in the bar room than in the church. He said the bar room was working its capital on the liquor problem, and he called on the church to get into action.

Membership of 700.  
At the afternoon session of the Brotherhood of Andrew and Philip in Canada, the report of the general assembly was read, in which was shown the number of chapters of the organization in Toronto. There were 700 chapters in Toronto, and the membership was 700. The report was read by Rev. B. H. Spence.

Consider Boys' Clubs.  
On account of Toronto being largely represented in the Brotherhood of Andrew and Philip in Canada, the proposition to establish boys' clubs, where boys from 10 years old up to 17 could have a headquarters where they could spend their idle time profitably, was referred to the Toronto Council.
