

Radway's Ready Relief a Cure for Neuralgia.

DR. RADWAY.—Dear Sir: I can say to you I have been trying your Ready Relief for neuralgia; it has proved the best remedy I have ever tried. I have been afflicted for eleven years with neuralgia; your Ready Relief is the greatest remedy I have ever tried.

Pain in Side and Stomach.

CINCINNATI, August 9th, 1875.

DR. RADWAY & Co.—Dear Sirs: I for over two years have been troubled with pain in my side; also a pain in the lower part of my stomach. If I would walk one or two squares from the house, I would always have to stop on the way until the pain would go away. Having tried two or three of the best doctors here in this city, but could not do any good—becoming afraid of this, seeing they could not cure me, I met one of my friends, who told me to try your Sarsaparillian and your Pills. I had no more than taken one, also one box of your Pills, and feel just as strong and healthy as a new man; I am on the second bottle of your Sarsaparillian and Pills, and I shall never be without them in my house as long as I live.

Other Cases.

BOULDER CITY, COL., Nov. 7th, 1881.

DR. RADWAY.—Dear Sir: I gladly give my testimony in favor of your Remedies. I have been in a habit of going to the Doctor whenever there was any sickness in my family.

My wife had an attack of fever and she had Mrs. Sarah J. Wise to come and try your Remedies, for she said if she sent for the Doctor she would be in bed at least three weeks, if not six; the consequences were she was not in bed three days, but was up at once. I have been troubled for years by spells with a sourness and pain in my stomach, so I tried your Regulators. I took three on going to bed. The next day I had no pain or sourness; the next night I took two more, and have not felt a particle of it since. My little boy three years old, a few weeks ago, had a very severe attack of Diphtheria. We cured him so quick that neighbors thought he could not have had it at all, so I think I can do my own doctoring hereafter.

Very respectfully,

WM. MITCHELL.

TO THE PUBLIC.

THE VIRTUES of the R. R. R. REMEDIES have now become so well recognized that many persons are constantly endeavoring to steal their popularity—spurious preparations are made up to imitate ours in smell, taste and look. These articles are all deleterious, and are palmed off by deceit upon the public. Avoid them as you would a poison. It is the fate of a good medicine to be counterfeited and have spurious imitations.

The READY RELIEF is put up with RUBBER STOPPERS, and every label engraved with RADWAY'S READY RELIEF, in very small characters, all over the label.

BEWARE OF COUNTERFEITS!—See that the name "RADWAY" is blown in the Resolvent and Ready Relief bottles, and take no Resolvent, Ready Relief or Pills that has not the signature of Radway & Co. There are pirates making use of the words Resolvent and Relief.

The intention of this Pamphlet is simply to call attention to the merits and virtues of the R. R. R. REMEDIES, it being impossible to do much more, and in truth we cannot do even this in the space here allotted. We are therefore compelled to refer you to our Pamphlets and directions, as further explaining our views on the treatment of disease.

The originals of letters herewith published are all on file at our office.
