Joint Civic Committees Inspected the Fair Grounds Yesterday Afternoon.

FIRE BRIGADE REORGANIZATION.

-No Report Received Yet From Chief Graham.

The Parks and Gardens Committee and the Exhibition Committee yesterday made a joint inspection of the preparations for the opening of Canada's great fair on Tues day next. The party consisted of the Mayor, Ald. Score, Woods, Davies, Spence, J. J. Graham, Crane, Steiner, Frankland, Dunn, Lamb, City Treasurer Coady, Park Commissioner Chambers, President With-row, Dr. Andrew Smith, ex-Ald. Maughan, ex-Ald. Close, ex-Ald. Crocker, ex-Ald. Lesile, Major Manley, J. C. Hamilton, W. S. Lee, J. K. McNaught, G. Booth, George Valr, S. E. Briggs, v. ince, R. H. Hamilton and Manager H. J. Hill.

All in Readiness.

All in Readiness.

A tour was made of the Exhibition grounds, which presented a busy scene. Many cattle and implements have already arrived, and signs of the form-coming show abounded on every hand. The new machinery hall, which phoenix-like has arisen from the ruins of the old building destroyed by fire a few weeks ago, was visited. It is a splendid building, up to date in every respect. It is lofty and well lighted. The hall is 36 feet longer and several feet wider than the former one. The cost was \$17,000, which was defrayed by the City Council. Additional swine pens have been built, and an addition made to the music hall. Satisfaction was expressed at all these improvements. Park Commissioner Chambers was highly congratulated on the admirable condition of the lawns and flower beds. The latter are, as an enthusiastic citizen exclaimed, "enchanting."

Luncheon was partaken of on the grounds. Chairman Score of the Parks and Gardens Committee presided, with Park Commissioner Chambers and Manager Hill in the vice-chairs.

The chairman congratulated the directers of the Toronto Industrial Association on the forwardness of the preparations and prospects of continued success for the greatest annual fair on this or any continent. This was the 21st annual exhibition, the association had gained its majority and its permanence, and success was assured. He thanked the Chy Council for this year's generous aid, and concluded by proposing the health of President Withrow and the directors of the Exhibition.

Still Cramped for Room.

The president, in responding, said the association still greatly needed additional buildings. Exhibits this year had been refused for want of accommodation. Mr. Withrow concluded with an interesting sketch of the inception, early difficulties and success of the Fair.

Dr. Andrew Smith, first vice-president, in responding to the toast of his health, endersed the remarks of the president, and favorably compared Canada's great Exhibition with those he had seen in the British Isles, Germany, France and Belgium.

Ex-Ald. P. G. Close was interestingly reminiscent.

Virtually in Council's Hands. An Hour's Oratory.

Virtually in Council's Hands.

Get Pointers From Toronto.

ran cities had sent to get "pointers" from the directors of the Toronto Exhibition; Mayor Shaw, Controller Woods, Ald. Steiner, J. J. Graham, Spence, Davies and Park Commissioner Chambers.

Reorganization Needed.

The Mayor is not pleased at the delay of Chief Graham of the fire brigade in presenting the report on the Bay-street fire and the lack of intelligent direction thereat. The chief was ordered to report ferthwith and to state the equipment of which the brigade is deficient. His Worship wrote two days ago to Chairman Frankland asking if he had received this important report. At a late hour last even-Reorganization Needed.

The Mayor is not pleased at the delay of Chief Graham of the fire brigade in presenting the report on the Bay-street fire and the lack of intelligent direction thereat. The chief was ordered to report forthwith and to state the equipment of which the brigade is deficient. His Worship wrote two days ago to Chairman Frankland asking if he had received this important report. At a late hour last evening Ald. Frankland told The World he had received no communication from the chief. The Mayor said yesterday that it was evident that drastic measures of reform and reorganization are imperatively necessary. His Worship is determined that the brigade shall be placed on a thoroughly satisfactory basis.

Ald. Bowman spoke to a similar effect and said that he was prepared to advise the immediate resignation of Chief Graham.

Graham.
The Technical School. Ald. Lamb has returned from two months' holiday at his summer residence on Lake Simcoe. He intends that his committee shall take up the Technical School question. He is in favor of adopting Hon. Mr. Ross' recommendations, and says it is absolutely necessary that the present board shall be reconstituted.

Extension of Leave of Absence.

City Clerk Blevins has not recovered sufficiently to return to his official duties at the end of the leave of absence granted him by the City Council. Yesterday Dr. Pyne called on the Mayor and submitted a cletter to His Worship, which states: "I must ask you to get an extension of leave of absence for Mr. John Blevins, the City Clerk. He is not fit for duty yet, and I would suggest that another month be granted him. I trust yourself and the City Council will grant this request."

Extension of Time Secured.

Assistant City Solicitor Chisholm has the control of the council will see the council will see the council will be control of the secured.

Assistant City Solicitor Chisholm has secured an extension of time to apply for leave to appeal to the Supreme Court against the decision of the Court of Appeal, affirming the Divisional Court's judgment of \$100 in favor of Captain F. A. Carton, in his suit for illegal distress against the City Collection Department. Saving by Machinery.

ntown "Keep the head cool and the bowels open" is old but eminently sensible advice for people to follow during the summer season. But the head won't keep cool, no matter what you do, if the bowels are

onstipated.

First thing, then, is to consider the owels. If they don't move regularly very day take Laxa-Liver Pills.

They're the nicest acting little pill you wer tried.

W. Gwillimbury, Bradford. First thing, then, is to consider the bowels. If they don't move regularly every day take Laxa-Liver Pills.

If you take one or two before going to bed, they'll work while you sleep without

bed, they'll work while you sleep without a grip or gripe.

In the morning your head will feel cool and clear, and your brain bright and active.

They're just the thing to keep you well this summer if you are subject to sick headache, bilious spells, dyspepsia, indigestion, sour stomach, constipation or liver torpor.

**A Respected Resident Gone.

Mrs. Kirkpatrick died yesterday morning at her residence, 148 Davenport road, after a lingering illness. Deceased was an old resident of the north end and was highly respected. Three sons and two daughters are left to mourn the loss of a beloved mother. The sons are: Andrew Kirkpatrick of The Evening Telegram. William of the railway mail service, and Frederick Kirkpatrick, an employe of The World.

SATURDAY MORNING

City Commissioner Coatsworth yesterday issued these building permits: B. Panter, brick store and dwelling, Spencer-avenue and King-street, \$3000; Dr. Wagner, brick and stone addition, Gerrard and Victoriastreets, \$1000; John L. Pears, brick dwelling and stable, Davenport-road, \$3000.

Winter Accommodation.

Manager Keating of the Toronto Railway Company has written to City Engineer Rust, assuring him that the company will make provision for an efficient service in the winter. Forty closed cars are being constructed, and with this addition Manager Keating feels certain there will be no lack of accommodation.

Brighten the Streets.

The Mayor has instructed the City Com-New York Society Lady Saved From Drowning at Atlantic City in Brave Style.

fair time. His Worship specially requests the citizens to make the city as bright with bunting as possible during the entire Exhibition time.

Atlantic City Water.**

Residents on Danforth-avenue visited the City Engineer's office yesterday and complained that, though within the city limits, they have no water supply other than wells.

The Consumptive Case.

Medicine will be forwarded to him house. Medicine will be forwarded to him house, will ask him a few weeks. He had not the prought of the proposed in t

Immediately her lungs were suffused with water, and when she came to the surface she was not able to cry for assistance, but, fortunately for her, Mr. Pine, without a moment's hesitation, threw off his coat and leaped into the water. With one arm encircling the now unconscious woman he used the other to swim towards the shore, and, although the rescued woman weighs probably in the neighborhood of 169 pounds, and her gallant savior is of slim build, he managed by herculean efforts to swim with his unconscious burden to shallow water, where Guards Neill and Farker met them with the boat.

Once on the beach an immense crowd assembled on the boardwalk, the pier and the strand, and loudly cheered and applauded the gallant rescuer, who did not cease his enforts in behalf of the unconscious woman upon reaching the shore, but worked over her, with several others, in the attempt to restore respiration, which was apparently entirely suspended.

Hard Fight for Life.

For upwards of half an hour they utilized all the expedients commonly employed in

Hard Fight for Life.

For upwards of haif an hour they utilized all the expedients commonly employed in the resuscitation of the drowned, four doctors who were in the crowned lending their assistance. Twenty minutes elapsed before Mrs. Harberson gave any signs of life, and it was feared for a time that she was beyond aid. Mayor Thompson meanwhile appeared on the scene and assisted the police in keeping back the crowds, which had now assumed great proportions, directing the guards in their labors over the exhausted bather as well. Finally she was restored to consciousness sufficiently to be removed to her bath house, where for another hour physicians worked with her. To-night she is still under the doctor's care, and it is said that this has been the most difficult case of resuscitation experienced this season.

Mrs. Harberson is a guest at the Chetwoode, and Mr. Pine is located at the Roman. A notable feature of the rescue was that the hero of the occasion modestly left the scene of the rescue as soon as possible and endeavored to withhold his name from publication.

DYNAMITE MONOPOLY STANDS.

The Motion Continuing It Adopted by the Volksraad. Pretoria, South Africa, Aug. 25.—The Volksraad to-day, by a vote of 18 to 9, adopted the report of the majority of the dynamite commission, continuing the monopoly.

For Saturday Afternoon. The last chance this season to enjoy the fine Saturday afternoon trip on the steamer Modjeska to Hamilton, Burlington Beach and return, at the small fare of 50 cents for the round trip, will be this afternoon. The boat follows the line of the shore and all the way there is a lovely view, as well as a fine lake trip. The boat affords every convenience and luxury for a most enjoyable outing on the lake.

Gordon Andrus Drowned Southampton, Ont., Aug. 25.—Gordon Anrus of London, Ont., was drowned while athing in Lake Huron here to-day. The ody has not been yet recovered.

Mersea and Leamington, Leamington The Fact, That Dodd's Kidney Pills Are the Only Cure for Bright's Disease, Always Coming to the Front.

Neepawa Lady's Life Despaired-Sick for Ten Years-As a Last Extremity Tried Dodd's Kid-

ney Pills, and Was Cured.

Neepawa, Man., Aug. 25.—There is an old saying that murder will out. It seems to be still more true that the merits of Dodd's Kidney Pills should always be coming to the front. Dodd's Kidney Pills are life-takers, however, and the more the knowledge of their value spreads the better it is for mankind. That Dodd's Kidney Pills is the only medicine that will cure Bright's Disease, people are continually finding for themselves by experience. When everybody has this simple, absolute fact imbedded in their minds—Dodd's Kidney Pills are the only cure for Bright's Disease—that disease will never claim another victim.

Mrs. T. H. McKee of Neepawa writes: "For ten years I had poor health. I doctored in Ontario for weakness; came to Manitoba four years ago, and still grew worse. Eight months ago I was selzed with in the light's Disease. ney Pills, and Was Cured.

Manitoba four years ago, and still grew worse. Eight months ago I was seized with Bright's Disease. My physician tried his best skill with no good results. A friend advised me to try Dodd's Kidney Pilis. I took four and a half boxes, and they have made a new person of me. I am in perfect health now."

In a letter written since in response to an enguly as to her experience with Dodd's
