HAMILTON NEWS

HAMILTON FACES A BIG OVERDRAFT

Nearly All the Committees Have £eeded Their Appropriations.

VICTORY LOAN DRIVE

Shield to Bear Honor Roll Erected in City Hall Still Blank.

Hamilton, Dec. 1.—That Controller T. M. Wright knew of what he spoke when he objected so strongly to promiscuous salary increases and willy-nilly grants and expenditure was amply proven yesterday by the announcement that the city would wind up its fiscal year with a substantial overdraft. At the beginning of the year only a shoe lace was left to work on, but some controllers, forgetful of this, sanctioned every expenditure that was recommended. Many times in the past few months the mayor has hinted of an overdraft on the horizon, and from a reliable source yesterday came the information that it would be of surprising proportions. Nearly all of the committees, with the exception of the works committee, are already over their appropriations and the works committee has but a scant margin on which to close out the last month of the year.

Civic Employees Bought Well.
If all citizens had been as patriotic as the city hall employees the attainment of Hamilton's objective would have been assured. A. P. Kaszpe, city hall campaign organizer, announced yesterday that practically 38 per cent of the employees had subscribed. Members of the board of control, who made it easy for the employees by arranging to have the city buy the bonds out right and then deduct a small amount from the pay envelope each week, also set a good example. The city will retain possession of the bonds until they are paid for by the employees. In the event of an employee leaving he will be given a cheque for all that he has paid on his bonds, with interest at 5 1/2 per cent.

Honor Roll Remains Blank.
Late in 1914, when Hamilton had sent several thousand of her sons overseas, a costly shield was erected in the lobby of the city hall and marked "Honor Roll." The intention was to inscribe upon it the names of those heroic Hamilton boys who gave their lives for freedom's cause. Three years later the board is still there and still devoid of names. Members of the council claim it was an oversight.

No Word Yet.
Enquiries yesterday elicited the information that no word has been heard from the Dominion railway board relative to the application of the T. H. and B. for permission to extend its road.

Bent on Breaking the Continental Record.
Bent on breaking the continental record of holding the largest number of bonds in proportion to the population, this city, which up to present time last night had subscribed \$10,053,750 towards the Victory Loan appeal, will be the scene of a superhuman effort on the part of the army of canvassers to reach the objective of \$12,000,000 before night, when the campaign was inaugurated.

Yesterday witnessed one of the greatest and most enthusiastic drives since the campaign was inaugurated. Canvassers covered the city until midnight. In all the sum of \$1,123,250 was subscribed for the cause. It is the last chance to get behind the boys in the trenches with your dollars and the committee appeals to all in the name of humanity to give and give again today in order that Hamilton may not fall below the \$15,000,000 mark.

Declared Out of Bounds.
Bootlegging among the soldiers has resulted in Lieut.-Col. Belson, O. C. of the C. E., declaring that part of the city, bounded on the east by Wellington street, on the south by Barton street and on the west by the bay and the inlets, to be out of bounds.

Veterans To Be Employed.
Owing to the Christmas rush commencing earlier at the post office than usual, 44 returned soldiers will be added to the staff, commencing Dec. 15. The wages will be \$2.50 per day. Applicants should apply at once to Secretary Kaye of the soldiers' aid commission.

Will Buy Victory Bonds.
The Irish Protestant Benevolent Society will invest their entire funds in Victory bonds. This decision was reached at a well-attended meeting of the society last night, when addresses were delivered by Major O'Reilly and C. E. Kelley.

Attacked Him With Knife.
Enraged because she has been "filleted," Helena Martmick, an Italian girl, attacked Antonio Schuntari with a carving knife. The woman was taken into custody last night on a charge of assault, cutting and wounding.

Man Injured by Auto.
William Smith, 44 Stuart street, reported to the police that while driving one of Finch's motor trucks last night he knocked down F. McCallum, 62 South

Catherine street, while the latter was crossing the corner of Jackson and James streets. McCallum sustained slight injuries to his head and was driven to his home by Smith.

Auto and Car Collide.
While driving past the corner of York and Caroline streets last night, J. W. Emerson, of Dundas, drove his motor car into street car number 32. No one was injured, but the motor was damaged and the fender of the street car was knocked off.

WON DISTINCTION OVERSEAS

Another Hamiltonian has won distinction overseas. Major Frank Anderson, D.S.O., has been appointed deputy-adjutant general and will make his second in seniority in England of the Canadian forces, his being next to the overseas minister. The appointment carries the rank of lieutenant-colonel.

REFUSED TO ACCEPT AID.

Judge Menck, the chairman of the court of revision under the Military Voters' Act for Hamilton, has refused to accept the first list handed in by J. W. Roberts from the east end of the city in the county, and will contest the general returning officer at Ottawa in reference to who has the right to receive the enumerated lists of voters in the county riding.

SCORES' BUSINESS SUITS AT ESTATE SALE DISCOUNTS.

Time was when most men ordered their suits by the calendar—a spring suit at Easter time, a summer suit about June time, and the fall and winter suit when there was a first likelihood of a snow flurry. Today it's not just that way, for men place his order when and where he knows he can buy to best advantage, either in the choice of the woollens or the price is expecting to pay. And that is why clothing requirements and are taking the fullest advantage of Scott's late Sale, offering fine Scotch tweeds and serge suitings at 75. And this is Saturday—how about a little fresh sorting of your necktie collection? R. Score & Son, Limited, 17 King street west.

Keeping the Quality Up.
LAXATIVE BROMO QUININE, the Most Famous Cure for Colds and Grippe, is now 10c per box. On account of the advance in the price of the raw materials, concentrated Extracts and Chemicals, it is necessary to increase the price to 15c per box. It has stood the test for a Quarter of a Century. It is used by every civilized Nation.

SPEAKS FOR SCHELL

Hon. George P. Graham Appears on Platform in South Oxford.

Special to The Toronto World, Ingersoll, Ont., Nov. 30.—The visit of Hon. Geo. P. Graham was heard on the political platform here tonight endorsing the candidature of Mr. S. Schell in South Oxford. The Mass Theatre was jammed to the doors and a large overflow meeting was held in the town hall. Dr. M. Rogers presided, and Malcolm Schell and Major Buchanan also spoke.

The address by Mr. Graham was a resume of the work of the Dominion administration and a presentation of his own position, as well as that of Mr. Schell in regard to conscription. He claimed there was interference with the Military Service Act, stating that there was a greater desire to get men to the polis than to the trenches. In this connection he alluded to the appointment of Gen. Masbuh. Many ladies attended the meeting.

WOULD GLADLY STEP DOWN

Special to The Toronto World, Waterloo, Nov. 30.—W. E. Weichel addressed a large and enthusiastic meeting at Waterloo tonight. He was supported by Dr. Housheer, Rev. C. A. Sykes, J. G. Mahon of Moose Jaw, Sask., and Alderman Robbins of Toronto. Mr. Weichel put the issue of winning the war before his hearers in no uncertain terms. Speaking of the disturbances of last Saturday night, when the prime minister was insulted, he said:

"If I could undo the wrong of last Saturday night I would gladly step down and forego all the honors you can bestow upon me. Let every working man go home and make up his mind that we must stand true to British institutions or we will answer for it."
