

Mr. John Anderson, Kinloss writes: "I venture to say few, if any, have received greater benefit from the use of Dr. Thomas' Electric Oil than I have. I have used it regularly for over ten years and have recommended it to all sufferers I knew of, and they also found it of great virtue in cases of severe bronchitis and incipient consumption."

Mr. Thos. Brunt, Tyendinaga, Ont., writes: "I have to thank you for recommending Dr. Thomas' Electric Oil for bleeding piles. I was troubled with them for nearly fifteen years, and had tried almost everything I could hear or think of. Some of them would give me temporary relief, but none would effect a cure. I have now been free from this distressing complaint for nearly eighteen months. I hope you will continue to recommend it."

IT SAVED HIS LIFE.

Mr. James Bryson, Cameron, states: "I was confined to my bed with Inflammation of the Lungs, and was given up by the physicians. A neighbour advised me to try Dr. Thomas' Electric Oil, stating that his wife had used it for a throat trouble with the best results. Acting on his advice, I procured the medicine, and less than a half bottle cured me; I certainly believe it saved my life. It was with reluctance that I consented to a trial, as I was reduced to such a state that I doubted the power of any remedy to do me good."

DIPHTHERIA.

Mr. W. J. Corbett, Creemore, writes: "I supplied Dr. Thomas' Electric Oil to a large number of parents during an epidemic of Diphtheria, and every one saved their children, while a number, that I know of, lost their's after using other remedies. Dr. Thomas' Oil is in constant demand all the year round."

DISEASE OF THE EAR.

Mrs. W. J. Lang, Bethany, Ont., writes: "I was one of the greatest sufferers for about fifteen months with a disease of my ear similar to ulcers, causing entire deafness. I tried everything that could be done through medical skill, but without relief. As a last resort, I tried Dr. Thomas' Electric Oil, and in ten minutes found relief. I continued using it, and in a short time my ear was

cured and hearing completely restored. I have used this wonderful healer successfully in cases of inflammation of the lungs, sore throat, coughs and colds, cuts and bruises, etc.; in fact, it is our family medicine."

HORSES AND CATTLE.

The noblest of the brute creation, when suffering from a cut, abraison, or sore, derives as much benefit as his master in a like predicament, from the healing, soothing action of Dr. Thomas' Electric Oil. Lameness, swelling and stiffness of the joints are relieved by it.

It cures Horn Distemper and Garget in cows; a few applications cure cracked teats; for the last named it is especially good. For Horn Distemper put half a teaspoonful in each ear, and pour a little back of the horns.

Mr. W. R. Lazier, Bailiff, etc., Belleville, writes: "I find Dr. Thomas' Electric Oil the best medicine I have ever used in my stable. I have used it for bruises, scratches, wind puffs and cuts, and in every case it gave the best satisfaction. We use it as a household remedy for colds, burns, etc., and it is a perfect panacea. It will remove warts by paring them down and applying it occasionally."

P. M. Markell, West Jeddore, N.S., writes: "I wish to inform you of the wonderful qualities of Dr. Thomas' Electric Oil. I had a horse so lame that it could scarcely walk; the trouble was in the knee; and two or three applications completely cured him."

Mrs. O'Hearn, River Street, Toronto, used Dr. Thomas' Electric Oil for her cows for cracked and sore teats; she thinks there is nothing like it. She also used it when her horses had the epizootic, with the best results.

TWO GREAT MEDICINES.

UNION IS STRENGTH.

Miss M. J. Richards, Belleville, writes: "Nearly three years ago I was taken with a pain in my shoulder so that I could not raise my arm. It rapidly grew worse until a severe running sore broke out. For two years I tried a great many physicians in Belleville and Toronto, and nearly everything that I thought would help it, but got no relief. After being in bed for two months an intimate friend thought if I used Northrop & Lyman's Vegetable Discovery to purify the blood and applied Dr. Thomas' Electric Oil on the arm that it might do me good. I must confess I did not have much faith in being cured, as I had tried so many things and did not get any relief from them, but by friend persisted and I commenced taking the Discovery and rubbing the sore with Dr. Thomas' Oil, and in less than two months my arm was completely healed and as strong as it ever was, while my health never was better."
