

see by the Quarterly Reports sent each contributor, the amounts due.

For the information of the Church, your Committee submits the following comparative statement, showing the amounts collected for current account, and weekly average during the years of 1889, 1890 and 1891:

1889—Collections..	\$3033 71	Weekly average..	\$58 34
1890       "       ..	3119 30	"       "       ..	59 98
1891       "       ..	3039 79	"       "       ..	58 46

---

#### BUILDING FUND.

To paid on account Mortgage.....	\$1000 00
“   “    Loan .....	170 00
“   “    Interest on Loan.....	5 95
	<hr/>
	\$1175 95
By balance on hand Jan'y 1, 1891	\$ 13 89
“ Collections and Subscriptions.	895 91
“ Loan .....	240 00
“ Balance due Treasurer.....	26 15
	<hr/>
	1175 95
To balance due Treasurer.....	<hr/> \$26 15

Your Committee would call attention to two items in this fund which should have prompt and careful attention, viz:—\$240.00 loan and \$26.15 due the Treasurer. Your Committee recommend that an effort be made at once to raise this sum, so as to leave the way clear to make special effort to pay the usual instalment of \$1000.00 upon the mortgage in October next, without making any loan.
