

per acre, on condition of his paying twenty-five pounds on the first of November next, and the remainder in annual instalments of twenty-five pounds, and that in default of such payments, legal proceedings should be taken against him.

QUEEN'S COLLEGE, }
23rd AUGUST, 1855. }

An extraordinary meeting of the Executive Committee was held this day.

A letter from the City Clerk was read, stating the willingness of the Council to construct a fence as required by the Trustees, on condition of the land necessary for the street being given gratuitously. In reference to this the Chairman, Mr. Mowat, and Mr. Bruce were appointed a Committee to confer with the members of the Council on the subject.

QUEEN'S COLLEGE, }
2nd October, 1855. }

The Executive Committee met this day, pursuant to adjournment.

The Committee appointed at last meeting, to confer with members of the City Council, respecting the granting of the land necessary for widening Arch street, reported that they had agreed to grant the land necessary for that purpose, on the conditions of having said street graded—a fence erected along the street, and, in case drains or sewers were opened into the stream passing through the College property, said stream should be covered over by the Council in its entire length, in a proper manner.

The action of the Committee in this matter was ap-
