The President stated to the meeting the facts (as known) of Private Bent's case, who had taken part in the Sussex Matches as a member of the 74th Battalion, though a week or so previously he had shot in the Nova Scotia Matches, as Sergt. Bent, 93rd Battalion, Cumberland County.

After considerable discussion it was moved by Major F. H. Hartt, seconded by Lieut.-Col. Armstrong—

“That the matter be left to the incoming Council with full power to act, and that in the meantime the Secretary communicate with Bent and ask from him an explanation of the matter.”—Carried.

After much consideration as to the best method of selecting the Maritime team, it was moved by Col. Sgt. Henderson, seconded by Col. Sgt. Adams, and resolved—

“That the suggestion contained in the Council's report as to selecting the team be adopted.”
