Martin-Orme Piano

THE MARTIN-ORME is practically a hand-made piano. Each individual instrument is slowly and sincerely fashioned toward perfection, under the personal supervision of Owain Martin, President of the Company, who devotes all his time to his workrooms. The heart and soul and pride of life of this master-builder are bound up in his beloved pianos, practically the work of his own hand and intellect. They are the achievement of a recognized genius, the pride of true craftsmanship and the brilliant result of lifelong study.

The Martin-Orme inspires one to better musical achievement. Here, indeed, is a vehicle for the fullest expression of all the music that is in your soul, whether you be an amateur or a virtuoso! No such splendid tone, balanced scale, easy action and enduring tone-quality are expended in ordinary pianos. The Martin-Orme is a work of art in every way. We invite your critical inspection at our warerooms.
