THE BEST QUALITY AT A REASONABLE PRICE. Nature Says "Wear Glasses". At 40 to 45 it is harder to see at close range than it was in youth, because the inner lens of the eye has lost some of its elasticity. So if you want to keep on reading, sewing and doing other close work comfortably and without harming the eyes, you must help nature out with properly fitted glasses.

SHARPE'S FACILITIES FOR TESTING EYES AND GRINDING LENSES ASSURE YOU GETTING PERFECT FITTING GLASSES. Charges are fair and reasonable.
