Try This If You  
Have Dandruff

There is one sure way that never fails  
to remove dandruff completely and that  
is to dissolve it. This destroys it en-  
tirely. To do this, just get about four  
ounces of plain, ordinary liquid avon;  
apply it at night when retiring; use  
enough to moisten the scalp and rub it  
in gently with your finger tips. And  
by morning, most if not all, of the  
dandruff will be gone, and three or four  
more applications will completely dis-  
solve and entirely destroy every single  
sign and trace of it, no matter how  
much dandruff you may have. This  
is a true fact, and the new fresh  
digging of the scalp will stop instantly,  
and your hair will be fluffy, lustrous,  
rosy, clean and soft, and the scalp and  
scalp will be healthy. This simple  
remedy has never been known to fail.

How Thin People  
Can Put on Flesh

Thin men and women—that big, heavy,  
belligerent dinner you see every day  
What became of all the fat-producing  
nourishment it contained? You haven't  
gained in weight one ounce. That food  
passed from your body like unburned  
coal through an open grate. The material  
was there, but your food doesn't work  
and stick, and the plain truth is you  
hardly get enough nourishment from  
your meals to pay for the cost of cook-  
ing. This is true of thin folk the world  
over. Your nutritive organs, your func-  
tions of assimilation, are sadly out of  
gear and need reconstruction.

Cut out the foolish foods and funny  
sawdust diets. Omit the flesh cream  
sauces. Cut out everything but the meals  
you are eating now and eat with every  
one of those single Sargol tablets. In  
two weeks you will see the difference. Five  
to eight good solid pounds of healthy, "stay  
there" fat should be the net result. Sargol  
charges your veins, stagnant blood  
with millions of fresh new red corpus-  
cles—gives the blood the carrying power  
to deliver every ounce of fat-making ma-  
terial in your food to every part of your  
body. Sargol, too, mixes with your food  
and prepares it for the blood in easily  
assimilated form. Thin people gain all  
the way from 10 to 25 pounds a month  
while taking Sargol, and the new fresh  
stays put. Sargol tablets are a scientific  
combination of six of the best flesh-pro-  
ducing elements known to chemistry.  
They come 40 tablets to a package, are  
pleasant, harmless and inexpensive, and  
all druggists sell them subject to an  
absolute guarantee of weight increase or  
money back as found in every large  
package. If you find a druggist who is  
unable to supply you send \$1.00 to Sar-  
gol Co., 74 St. Antoine Street, Montreal,  
(Que.), and a complete ten days' treat-  
ment will be sent you postpaid.
