$70,000 MORE IS NEEDED TO NET $600,000

King's College Building Fund Augmented by Several Contributions

THE largest contribution to the University of King's College building fund, since the last report of the president, Rev. Dr. Moore, made on July 15, is one of $2,500 from Rev. Dr. and Mrs. W. Inglis Morse, of Lynn, Mass. Dr. Morse is a native of Nova Scotia and has a summer home at Paradise, N.S. In all upwards of $5,000 had been subscribed since the last report, including $300 to be added to quota from that parish, raised by the ladies of St. Andrews, N. B., by means of a dance at the Algonquin Hotel under the leadership of Mrs. Henry Joseph, following a visit of Dr. Moore to that place in August. Another contribution of $150 has been received from Mr. and Mrs. Featherstonhaugh, of Toronto.

The last report of Dr. Moore, made to the advisory board of the Carnegie Corporation for the Maritimes showed that a total of $825,000 had been pledged. This leaves $70,000 still required to qualify for the grant of $600,000 from the Carnegie Fund.

ALFRED BOURGEOIS SPEAKS OF RESULT

Kent M. P.-Elect Sees Chance For King to Live up to Expectations

A belated reply in response to a request from The Times-Star for a comment on the result of the recent general election, was received last night from Alfred Bourgeois, the successful Liberal candidate in Kent county. Mr. Bourgeois' message is as follows:

The result of the election just closed will be greeted favorably by Canadians in general and demonstrates beyond question that the electorate have full confidence in the continued leadership of Right. Hon. W. L. Mackenzie King with a following in the next House that will enable the incoming government to carry through its policies as already enumerated, together with such measures as will insure contentment and happiness among all classes in Canada. Right. Hon. Mr. King has been given a great opportunity and that he will measure up to the highest expectations none will question.

ALFRED BOURGEOIS.

Fire Wrecks Barn of Dr.E.A. Smith, Shediac

MONCTON, Sept. 17—The large barn of Dr. E. A. Smith, of Shediac, former minister of lands and mines in the New Brunswick government, was completely destroyed by fire about 11 o'clock tonight.

Officers Elected By "Y's" Men's Club

George Hudson was elected president of the Y's Men's Club at their annual meeting held yesterday. The retiring president, Russel Holt, was in the chair. Other elections were vice-president, Dr. Jack Edgecombe; secretary, Norman Marshall, and treasurer, R. H. Bennett. Leslie Bewick and William Nichols were elected directors.

Dr. Edgecombe spoke on the International conference of Y's Men's clubs held at Camden, N. J., recently, and at which he represented the local club. Another Win For LOILOIL

Below appears a letter from the Retail Dry Goods Association of New York—think of the hundreds and hundreds of big firms and car owners that stands for. Their secretary reports their experience with the Saint John owned LOILOIL as follows:

Sept. 2, 1926

Dear Sir:—

The members of the Association report that they find LOILOIL very satisfactory.. One of the members has used this oil for more than five years, and while it costs more than some other lubricants, The Mileage Obtained is Greater, Making It Cheaper in the End.

Yours very truly,
(Sgd.) W. de Saussure Trenholm,
Secretary.
