

# Prepared in a Jiffy— with Luscious Fruit

If you want a two-minute salad or dessert to serve to unexpected guests, simply cut up several Sunkist oranges.

Serve them with lettuce, or sugar or sprinkle shredded coconut over them. It makes a delicious dish.

For busy-day lunches, nothing else is so handy as sweet, juicy California or-

anges. You can get them anywhere, any time—but the best way is to keep a dozen in the house.
