IN MEMORIAM

WEBB—In loving memory of Roland Ham Charles Webb, who departed this May 3, 1911.

RECENT DEATHS

Many friends in the city and elsewhere will regret to hear of the death of Dr. E. A. Preston, which took place early yesterday morning at his residence, 45 Sydney street. He had been ill since February but it was not until about four weeks ago that his illness became serious. Dr. Preston and five children survive him. The children are Edward Austin, of Boston; Lewis, of Hardwick (Vt.); Mrs. Von Eggers, at home; Florence, at home; and Harold, at home. Four brothers, in the states, also survive him.

The late Dr. Preston was born at Providence (R. I.), on September 7, 1854. He was four years old when his parents removed to St. John, where he received part of his education, afterwards taking a course of study at an academy in Hartford (Conn.). His medical studies were pursued for several years with his father, and subsequently in Brooklyn (N. Y.), at Long Island College, where in 1878 he received his degree of Doctor of Medicine. After practicing for a year in that city, he came to St. John, where he has since resided.

He was a member of St. John's Lodge of Masons, No. 2, a member of New Brunswick Chapter, R. A. M., and a member of Union De Molay Preceptory, Knights Templars, was also District Deputy High Chief Ranger of the C. O. F., and Chief Ranger of the I. O. O. F. He was connected with several temperance organizations. He was also a member of the New Brunswick Medical Society and of the Homoeopathic Medical Society of Kings County, New York.

The late Dr. Preston was a son of Henry Canfield Preston, M. D., for many years a leading medical practitioner of St. John. The latter was a son of Zephaniah Preston, a prominent merchant of Hartford (Conn.), and vice-president of the Connecticut Mutual Life Insurance Company. The Preston family is of English origin, and has been prominent since early colonial times. Dr. H. C. Preston was prominent in Masonic circles and in the fraternity of Oddfellows. For a time he was associated with the North American Journal of Homeopathy. He was one of the first physicians here to be appointed a member of the New Brunswick Medical Council of Physicians and Surgeons.

Rev. A. B. McDonald, of Cambridge, Queens county, died suddenly, yesterday morning, at 11.15, while delivering a sermon at the Baptist church at the Narrows. He was spending the Sunday with his brother, Dr. McDonald, of the Narrows, and while preaching from the pulpit which he had formerly occupied for many years, he suddenly taken ill, passing away in a few minutes.

Mr. McDonald, who was in his 82nd year, had been in declining health for several years, having been troubled with heart weakness, but he was able to be about and continued to supply pulpits occasionally.

He was ordained to the ministry in 1858, and in his earlier period of service, was stationed for five years at Hampton, and for more than twenty years he ministered to the churches at the Narrows, Jernigan and Mill Cove, receiving large numbers into their membership, while at various intervals his labors extended to

the churches at Johnston, Wickham and Springfield. A little over twenty years ago, he retired from regular pastoral work, making his home at McDonald's Corner, Cambridge, and here his children annually gathered about him and these occasions, with frequent visits from his old-time friends, made his later years very pleasant ones.

Mrs. McDonald died about two months ago, having passed away on March 3 of this year, and her death was a great blow to the aged preacher.

Of his family, five sons and one daughter survive. J. Crandall, of Malden (Mass.); A. Black, associated editor of the Kansas City Times, Kansas; William, at home; Malcolm and George, in Massachusetts; and Mrs. F. E. Bishop, of Dartmouth (N. S.).

Dr. W. L. McDonald, of Boston, and Dr. M. C. McDonald, of Cambridge (N. B.), are brothers, and F. E. McDonald, superintendent of the Industrial Home at East St. John, is a nephew.

The funeral will take place on Wednesday at McDonald's Corner, Cambridge, and will be in the family lot where his wife and son, Dr. H. E. and Frank F., are buried.

Dr. W. E. MacIntyre, of this city, will conduct the funeral service.

Many friends will regret to hear of the death of Mrs. Bertha E. Williams, wife of J. Renforth Williams, which occurred at Holdville, Kings county (N. B.), on Saturday. The late Mrs. Williams is survived by her husband, three children, and a son-in-law.

Mrs. Williams was a very kindly disposition, and much esteemed by all who knew her. The sympathy of the entire community goes out to the bereaved husband and the motherless children.

The funeral service was held at the Baptist church, Kingston, this afternoon.

Many friends throughout the province will learn with regret of the death of Walter S. Butler at his home, Butler, Queens county, on Saturday.

Mr. Butler was for sixteen years a member of the legislature representing Queens county and later became high sheriff of the same county. He was 80 years and nine months old.

He had been unwell during the winter. He is survived by four sons, Herbert V. Butler, of the signal station at the customs house, St. John; J. Sydney Butler, of Scotts Brook, and one brother, Jas. W. Butler, of Canning, and one sister, Mrs. Macdonald, of Canning.

COAL DROPS—BUT THAT'S IN OTTAWA

(Ottawa Citizen, May 2)

Coal drops a drop of 20 cents a ton today, if bought for spot cash. This means that it can be bought from \$7.50 to \$8.25 according to the quality.

How long these prices will be in effect the dealers cannot say definitely, but they will be in a better position to supply the extra demand then.

For the last two or three years there has been a concerted rush for coal with the coming of the first cold snap and consequently the dealers have not been able to meet the demand as quickly as desired and an opportunity to stack up a reserve supply in case of emergency has been practically impossible. If householders buy coal now at the cheap prices and lay in a supply for next winter it would mean a general benefit.
