Representative Nye, of Minnesota, said at a lawyers' banquet in Minneapolis: "Lawyers have grand reputations for energy and perseverance. A lad said to his father one day: 'Father, do lawyers tell the truth?' 'Yes, my boy,' the father answered. 'Lawyers will do anything to win a case.'"

'FRUIT-A-TIVES' WILL CURE RHEUMATISM

McMillan's Corner, Ont., Sept. 30th, 1910.

"Your remedy, 'Fruit-a-tives' is a perfect panacea for Rheumatism. For years I suffered distressing pain from Sciatic Rheumatism, being laid up several times a year, and not being able to work at anything. I went to different doctors who told me there was no use doing anything. It would pass away.

"Fortunately, about two years ago, I got 'Fruit-a-tives' and they cured me. Since then, I take them occasionally and keep free from pain. I am satisfied that 'Fruit-a-tives' cured me of Rheumatism and they will cure anyone who takes them.

JOHN B. McDONALD.

"Fruit-a-tives is the greatest cure for Rheumatism, Sciatica and Lumbago in the world. 'Fruit-a-tives' cures because like fruit juice it purifies the blood—regulates the bowels, builds up skin—and thus keeps the whole system free of uric acid. Take 'Fruit-a-tives' and you will find instant relief and a prompt cure.

was, with one exception, the grandest aggregation of hockey players ever seen in this city.

Athletic

Shrub Breaks Records.

Baltimore, Md., Feb. 3.—(Canadian Press)—At the Fifth Regiment armory tonight Alford Shrubb, of England, broke two professional running records. He made ten miles in 52 minutes 53 seconds, beating the professional indoor records by 29 seconds. His time for the fifteen miles was one hour, 10 minutes, one second. The professional outdoor record was announced as one hour 29 minutes 4.5 seconds.

Shrubb ran against St. Yves of France and John J. Hayes of New York. He finished 312 laps on the eight laps track, ahead of the former, who was second.

Moncton Defeats Halifax.

Halifax, Feb. 3.—(Special)—Five thousand and hockey enthusiasts from all parts of the maritime provinces packed the Arena rink tonight and witnessed the Moncton Victoria decisively defeat the Halifax professionals 8 to 3 and tie with the local team in the struggle for the professional championship of the maritime provinces.

The result of the second half was the greatest surprise ever springing from hockey circles in the maritime provinces and there is only one sane explanation, and that is that the Halifax team was completely outclassed by seven of the greatest hockey players that could be secured for money between Halifax and Fort William. Moncton was determined to win the game and money was no object and they put a team on the ice last night that without doubt, ahead of the former, who was second.

AMUSEMENTS FOR OURSELVES AND OTHERS

NICKEL

The Nickel has a fine bill which should be remembered that the Chronophone will be heard for the last time in this theatre today and the children in particular—who have been deterred on account of school and bad weather—should be allowed to hear the wonderful entertaining apparatus ere it leaves the city. There will be five special numbers by Chronophone today. The pictorial bill, too, is excellent, including a historical story of white men and Indians in old Quebec, and a western comedy, 'The Greenhorn and the Girl,' as well as a rich skit on Chautauque.

On Monday the Nickel, it is announced, will inaugurate its new and improved series of motion pictures. This will mean that instead of six new reels every week, or two at each change of programme, there will be three new reels every Monday, Wednesday and Friday, an increase in film value of fifty per cent. This, it is said, will be the largest and most expensive service in eastern Canada, and the public will no doubt appreciate it fully. The opening bill of this new series is to include the Biograph drama, 'His Trust,' a story of war, and the Vitagraph comedy, 'Crazy Apples,' a wholesome bit of delicious fun. Then there will be the weekly bulletin of news pictures of world's great events. Bernice Humphrey and Roscoe Buzzelle.

THE OPERA HOUSE.

Written primarily with a strong love story of human interest in view, 'The Time The Place and the Girl,' which will be at the Opera House Feb. 8, 10, 11, proved that this, when embellished by fancy songs and pretty girls in dances, is the most successful play that that province has produced. Frank H. Adams and Joseph E. Howard have turned out. This play looks all record in lines and has created equally notable success wherever it has appeared.

The scene is laid at a sanitarium in Virginia, where Johnny Hecks and Tom Cunningham have fled to escape arrest.
