REVIEW AND PASTORAL ADDRESS
BY THE SESSION.

A review of the year 1885 affords ample occasion for gratitude to God. His mercies, both in those things which He has graciously bestowed, and in those which He has graciously withheld, have been very great. For temporal benefits and rich spiritual blessings, for joys and sorrows, for the living and the dead, let us all bless His holy name.

The attendance upon the services of the Sanctuary, and the religious meetings, during the week, have been, in general, a source of gratification and cause of thankfulness.

In May last, the Session made a very careful revision of the Communion Roll. After deleting all the names that could not be vouched for, and removing to the Retired List those that were questionable, the total number of Communicants in good standing, after revision, to the best of the Session's knowledge, together with corrections up to the end of the year, is six hundred and nineteen.

In the past year, fourteen members have been removed by death, thirty-two have been transferred, by change of residence, to other congregations, in all forty-six. Thirty-seven have been enrolled, upon their own confession of Christ, and fifty by certificate from other congregations, making additions, in all, of eighty-seven.
