(Special Correspondence.)
Duncan, Jan. 2.—The annual New Year's eve ball given by the Foresters was held in the Knights of Pythias hall. There was a very large number of visitors from Cowichan, Chemainus and points south of Duncan as far as Victoria. About 300 were present, and the whole arrangements were perfect. The music was supplied by Miss Devitt's newly formed orchestra, and the supper was arranged by a committee of ladies with Mrs. Dickie at the head, and the table was beautifully decorated by these ladies.

The annual ball to be given by the Agricultural Society will take place on January 12 in the K. of P. hall. A committee of ladies have the arrangements for the supper.

An improved telephone service is being inaugurated. An all-day service during Sunday and holidays will be instituted, with the possibility of an all night service before very long.

One acre of this was donated by A. McKinnon. The complete furnishings for four rooms have already been given with promises to partially furnish others.

On January 3rd an entertainment in aid of the new hospital will be given in the Duncan opera house under the management of Mr. and Mrs. Wallick, of Cowichan Bay. This will consist of a short concert, followed by the one-act comedy, "Kitty Clive," by Mr. Drake, Mr. and Mrs. Legge-Williams and Miss May. After the play there will be a supper, followed by a dance. A committee of ladies, consisting of Miss R. Alexander, Miss Sunderland, Miss V. Stillwell, Miss May and Miss D. Wood, has kindly undertaken to distribute programmes and to sell home-made articles.

This potlatch is being given by three leaders of Kuper Island tribes.

PROPOSED PENSIONS FOR FIRE FIGHTERS

Question of Fund to Be Considered by Vancouver Civic Committee

Vancouver, Jan. 3.—The busiest 12 months for the Vancouver fire brigade has been during 1910. The fact was revealed at the last meeting of the 1910 fire and police committee, when the report of Chief Carlisle showed that the number of alarms responded to totalled 440, and that the total loss by fire and water reached the figure of \$212,181.45. Insurance paid losses tipped the beam at \$148,446.35, leaving the loss above insurance paid, of \$63,735.10. The number of alarms answered exceeds the record of 1909 by 81, while the total loss is almost \$116,000 less than that of last year. There were 148 fires where damage of a more or less serious nature occurred.

The chief declared that new apparatus was required, and cited the following as being wanted: A fireboat, aerial ladder truck, gasoline pumping engine, water tower and an automobile. The committee decided to recommend to next year's council that the report concerning new equipment should be adopted.

After the report had been presented, Chief Carlisle introduced a subject having an important bearing on the lives of civic servants, the scheme unfolded being that of providing a pension fund for the firemen. It was stated that there were at present 112 men in the brigade, and while they were insured against sickness, no scheme had yet been negotiated for caring for the firemen after their years of usefulness passed away. All the members of the committee, and the mayor, expressed their sympathy with the object, and a special committee consisting of Aldermen McBride, Barlett and Roberts was appointed to inquire into the whole matter and present a report at a special meeting to be held next Wednesday.

Chief Carlisle asked for a civic grant of \$50 to help pay for a pool table for the firehouse. It being stated that the men had already subscribed \$200 between them. Upon the motion of Ald. McKee, it was decided to recommend to the council that the request should be acceded to.

W. Noble, Oak Bay, announces his intention of being a candidate for the position of councillor for the municipality and also for school trustee. He has not said whether he wishes to sit for both or whether he wishes to have two strings to his bow. Last year he was defeated in the "centre ward," since that time the ward system has been abolished, and he is looking to the whole municipality for election.
