WORLD'S CHAMPION PUGULIST HERE TO-DAY

Is Ready to Meet Jeffries, Whom He Considers Only Likely Challenger.

John Arthur Johnson, champion neavyweight pugilist of the world, acmpanied by Mrs. John Arthur Johnon (nee Miss Nellie O'Brien of Boston), and his manager, Sam Fitzpatrick; arrived for the first time in Victoria on Tuesday at daybreak on the R. M. S. Makura. He is without any plans for the future, but to look around and take what offers when he gets through a two months' show tour in England, which commences on April 21st next. After Johnson has paid a week's visit to Chicago and gone down home to see his mother at Galveston, Texas, for two or three weeks, he will leave for England.

Again the gilded smile was seen when Johnston was asked if he could beat Jeffries, and he answered: "I may have to. Anyway I'm ready if I get reasonable time to train." Of Jim Corbett he has nothing to say except that he would like to fight him too.

Johnson at present occupies the poition of a champion out of work and ne realizes there is nothing but Jeffries big enough in size to match against him. He says he sees nothing or him to do but the show business at present. Speaking of the fight in Sydney, he said he had told the people all along there was nothing to it. He had Tommy beaten before the fight enced. "We all knew it; Tommy knew it. He is a good little fighter all right, but, man, he is not big enough. Johnson confirmed the statement that he is a Methodist, and said the Catholics and Methodists of Sydney had a great time while he and Burns were there for Burns was a Catholic. They fought about it on the streets and took sides, the Catholics against the task of sending men and supplies to the Methodists. It was not exactly true oments a student of Shakespeare and Milton, as had been reported, but still fight in the world to date," said John-"There's 'no doubt about it, the people went wild over it, and I beat mmy.
