Economic Prospects in Germany More Favorable

Country Well Provisioned With Grain, Meats, Vegetables . and Fish

'Berlin, Oct. 31. - Germany's conomic prospects are more fav orable, the country being provi sioned with grain, meats, vegetables and fish for a long time to come, according to a statement made by Herr Schmidt, minister of economies, who reviewed the situation before the national assembly here.

Difficulties are recurring, however, in connection with the importation of raw materials, he said and Germany was declared to be selling its products too cheaply abroad. Germany's principal anxiety, Herr Schmidt declared, was a
shortage of coal.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
