I beg to return thanks to my patrons for their favors of 1901, and as the year has come to a close the most important feature of any business is to make the next year more successful than the last. With that pecial object in view I have rejected my stock from best houses in the Dominion of Canada and United States and bought is at the lowest prices, so as to still enable me to increase my business by selling goods cheap are than I ever did before.

It is observed that one of the gentlemen who came to Chatham with Mr. Hazen a month or two ago, and who was shut out from "saying his piece" by the effect upon the audience of the incoherencies of the member and guide of the party who was the lowest prices, so as to still enable me to increase my business by selling goods cheap are than I ever did before.

It is observed that one of the gentlemen who came to Chatham with Mr. Hazen a three did not of the from "saying his piece" by the incoherencies of the audience of the incoherencies of the member and guide of the party who was announced by Mr. Hazen at the "best wine," is amought the pretended believers in the elections actually or supposedly pend-

awake to the fact next day that some It was understood that Mr. Scott, who "interviewer," who he has, perhaps, had been one of the Ottawa interviewer only seen, has succeeded in making class for several sessions and was recognised people believe he has done so, through as a stalwart Conservative (being employed people believe he has done so, through the "interview" process.

Such must have been the discovery of Hon. Attorney General Pugsley the other day on reading the following, which appeared in a good many of the provincial papers:

Ottawa, Nov. 6.—Hon. Wm. Pugsley, Attorney General of New Brunswick, who was here to-day on his way.

Ottawa, Nov. 6.—Hon. Wm. Pugsley, Attorney General of New Brunswick, who was here to-day on his way.

In on versation, Dr. Pugsley expressed the provinces.

In on versation, Dr. Pugsley expressed the provinces and that the government is to blame for it in some way. It was recoulty examined by engineer wetmore, of the provinces and the provinces and the provinces and the provinces and the prov

"What about party lines?"

"In some localities the opposition ill get a few Liberal votes and in will get a few Liberal votes and in other places the government will get Conservative votes but the contest will be fought out largely between the Liberals on one side and the Conservative votes but the contest will be a fight between the two parties.

The government and their supporters will be an issue between the two parties.

The government and makes of that percent the gould obtain a makes of that pretence the parties on the stream of the case it will be an issue between the two parties.

The government will get conservative votes the contest will be a fight between the two parties.

The government will get conservation to the conservation one of the contest will be a fight between the two parties.

The government will get conservation to the conservation one of the contest will be a fight between the two parties.

The government will get conservation to the conservation one of the contest will be an issue between the two parties.

The government will get conservation to the conservation one of the conservation in partiament, two years after the question on twith all possible safeguards against Keya came up, decided to pass an addifficulties which may seem to be desirious and difficulties which may seem to be desirious and difficulties which may seem to be desirious and difficulties which may seem to be desirious on the construction and desirious of turther that the imperial parliament, two years after the question out with all possible safeguards against Keya came up, decided to pass an addifficulties which may seem to be desirious of the County will be in sympathy with the cause of the County will be in sympathy with the desirious of seeing out with all possible safeguards against Keya came up, decided to pass an addifficulties which may seem to be involved in it. Northamberland has long one of the County will be involved in it. Northamberland has long one of the County will be in sympathy with the cassours of the County will be in sympathy with the desirious of seem the question of the County will be in only so, but that it has always affirmed and acted to the contrary—it goes without saying that Dr. Pugsley, with his well known caution in such matters, his well known caution in such matters, and acted to the Convention playform?

Others, Nov. 7.—The financial condition of the Dominion for the four months with October of the Current year ended with October shows a net improvement over the shows a net improvement over the money as it did, but would have handed it over to the provinces. Mr. Pageley said that the shows a net improvement over the shows a net improvement over the money as it did, but would have handed it over to the provinces. Mr. Pageley said that the shows a net improvement over the shows a net improvement over the money as it did, but would have handed it over to the provinces. Mr. Pageley said that the shows a net improvement over the amount of money involved, so far as New price of trout is \$109.14 per half dozen.
