Coroner Dooley, who spent the entire day investigating the death, said last

night that he was not prepared to state whether Dr. Butts committed suicide or whether his death was due to an accident. He is inclined to eliminate the theory of murder. Dr. Butts was 41 years old.

Heart Trouble.

The heart liself has no power-no self-control. It is made to best by a tender nerve so tiny that it is scarcely visible to the naired eye. Yet ten thousand times a day this delicate nerve must assist the heart to expand and contract. This nerve is only one of the branches of the great sympathetic, or INSIDE. nerve system Each bran h of this system is so closely allide with the others that weakness or irregularity at any point is apt to spread. Heart treable fre-quently arises from Biomach trouble through ympathy, and Kidney trouble may also follow. For each of these organ, is operated by a branch of these same sympathetic nerves-the INSIDE NEWYES.

on these same sympathetic nerves-the INSIDE NERVES. In Heart, Kidney or Stomach troubles, it is of but little use to attempt to doctor the organ it-self-the most permanent relief lies in restoring the insuface NERVE, Dr. Shoop regards these nerves to be the real cause of such troubles. The remedy-known by physicians and druggists everywhere as Dr. Shoop's Resturative-is the result of years of endeavor along this very line. It does not does the argan to deaden the pain-but it aims to go at once to the nerve-the in-side nerve-the power nerve-and builds it up, and strengthensit, and makes it well. Every heart sufferer may have Dr. Shoop's book on the Heart, It will he sentiree, and with it you will receive the "Health Token," an in-tended passport to good health. provides that no sewage shall be discharged into the St. John River unless the consent of the provincial board of health is first obtained. As pointed out by Mr. Hazen in the legislature, "Our beautiful river is an asset of in-

creasing value, its proper protection is therefore a matter of practical politics and also in the interest of the public

In conclusion, Mr. Editor, we have now reached "the turning of the ways." For the free book and the "Health Token" you must ad-dress Dr. Shoop, Box 14.Rachine, Wis State which book you want.
