

**WAR IN SPIRIT OF THE CONGRESS.**—The New York Commercial Advertiser is permitted to make the following extract from a private letter written by an American gentleman now on the continent of Europe to his friend in New York, the writer being in a position we believe to observe correctly the current of affairs:

"In spite of the Congress to be assembled, there will be no peace. Neither France nor Austria wants peace. The peace party of Europe is confined to the Derby ministry in England, and to the Stock Exchange. The Derby ministry is now powerless. Prussia will remain neutral until Austria is attacked at home; and Russia aims at nothing but the humiliation of Austria. War is necessary even in a financial point of view. It is the only means of avoiding national bankruptcy, the only decent excuse for not paying the interest on the public debt in Austria, or making a new loan in France. The war, however, may be confined to Austria and France. In no case will the Emperor of France provoke a coalition."

**LORD DERBY AND HIS FOLLOWERS.**—At the late meeting of his supporters, held at his residence in St. James' Square, the Earl of Derby is reported to have enforced on his party the necessity of moderation in their demands on the government, illustrating the necessity by stating the large number of applications for peerages that he had received since his accession to power. At this assemblage the noble Premier did not appear in one of his amiable or cheerful moods. He impressed on his auditors all the sacrifices he had made for the party, in such a manner as to create the impression that in his opinion he had received but an indifferent return in the qualified support given to his Reform Bill.

**INMATE ASYLUM.**—The trustees of the proposed Inmate Asylum in New York, have issued an appeal to the churches of the United States, and the American public, for assistance. Some of the statements are startling, as for example, the following:

"Who can doubt the vital importance of such an asylum when, even before its first story is completed, applications have been made for admittance, many of which are from the patients themselves? Among the applicants are twenty-eight clergymen, thirty-five physicians, forty-two lawyers, three judges, twelve editors, four army and three naval officers, one hundred and seventy-nine merchants, fifty-five farmers, five hundred and fifteen mechanics, and four hundred and ten women, who are from the high walks of life."

**THE GREAT EASTERN.**—The English papers state that the Great Eastern will be ready for sea in four months.

**A Catholic paper asserts** that Gen. Walker, the filibuster, has not only entered the Catholic church, but is about to become a priest.

**CANADIAN CENT PIERCES.**—These coins, which have been lately thrown off at the British Mint, possess a remarkable peculiarity. They are not only tokens of value, but also standards of weight and measure; 100 cents weigh exactly one pound, and one cent measures 1 inch.

**DIED.**—On the 17th April, at the residence of her father, Ralph D. Beardsley, Esquire, Richmond, Mary Ann, wife of Wm. P. S. Beardsley, aged 26 years.

**Carlton Co. Ag'l. Society.**—JUST received a spring supply of FRESH GARDEN and FIELD SEEDS. For sale at the "MEDICAL HALL," DR. SMITH, PROPRIETOR. WOODSTOCK, N. B.

Chandler, Jr. Plaintiff, and Edwin J.
