MONEY ABUNDANT IN LONDON.

Special to The Standarc.
London, Mar. S.—Money was abunlant and discount rates were easier totay. Owing to the dearth of ordinary
bills and the large number of treasury
bills taken off the market, some dissprointment was expressed over the
thesence of a change in the bank rate,
but the authorities evidently considerthat the unsettled foreign political
and exchange situations did not warstart a reduction in the bank rate.

## his Ointment Possesses Power to Heal the Skin

Two Cases Which Prove the Extraordinary Healing Power Of Dr. Chase's Ointment

The use of Dr. Chase's Ointment is wonderfully satisfactory because you can actually see the results accomplished. It is surprising what chaage and be brought about in a single night by this great healing ointment.

Mr. George Beavis, 119 James street, Peterboro', Ont., writes: "As a mole, but it kept getting worse, healing ointment, I consider Dr. Chase's Cintment. There was a spot came on my face something like a mole, but it kept getting worse, and sare running sore on my leg, and large running sore on my leg, and although I had tried all the prescriptions of two doctors I was unable to get any relief from the pain or to get the sore healed. One day my druggist handed me a sample box of Dr. Chase's Ointment. Before I had finished one box of the ointment a fair trial. Altogether I used four boxes, and am glad to be able to say that the screen my leg is entirely healed up, of my leg is entirely healed up. The my leg is entirely h

### DEPORTATION OF BELGIAN MEN LEAVES WOMEN AND CHILDREN MORE HELPLESS THAN EVER

Neutral protests do not prevent the Germans from continuing the deportation and enslave-ment of the able-bodied men who were left in unhappy Belgium—and we are powerless to stop it until we have won the war.

Meanwhile the Neutral Commission for Relief in Belgium, administered without pay by great-hearted Americans, is saving the women and children from starvation. Here we CAN help promptly and effectively, by giving generously to the Belgian Relief Fund.

More contributions than ever are needed, because the higher prices of foodstuffs, parti-cularly wheat, have seriously increased the cost of feeding these millions of dependent Belgians. How much can you spare the victims of one of the blackest, most cold-blooded crimes?
