Closing Meeting
Held Yesterday

**Soldiers' Wives' League Will
Resume Work in the Au-
tumn—Has Been of Assist-
ance to Many Families Dur-
ing the Past Months.**

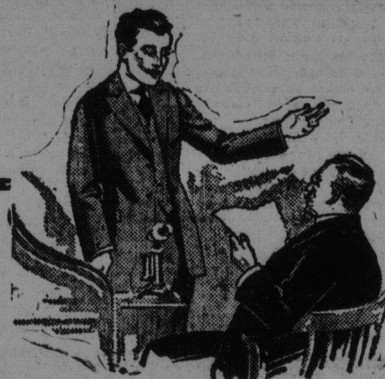

Among the societies which have
closed their meetings for the summer
months is the Soldiers' Wives' League
which met yesterday afternoon. Mrs.
George F. Smith, the president, pre-
sided and spoke of visiting the head-
quarters of the Soldiers' Wives'
League in Montreal, where they are
doing a splendid work. They have
two large buildings and hold classes
for instruction in sewing and cook-
ing for the wives. Mrs. Smith also
read a letter which contained an in-
vitation to the annual meeting of the
league which was held in Ottawa last
month. Owing to delay in the mail
the invitation was not received in

time for any delegates from St. John
to represent the league, and this fact
was greatly regretted.

Several cases where the league
could be of assistance were brought
up and in one case \$15 was voted to
be used if necessary. The president
reported on having contributed \$10
to the wife of a soldier who lost
household goods by fire, and two of
the visitors reported that they had
visited the family and that clothes
had been sent. A very grateful letter
was read from a soldier's wife who
was detained in St. John with her
children. She said she would never
forget what the league had done for
her.

It was decided that no more meet-
ings would be held during the summer
months, but that the president and
her executive would call a special
meeting or set on their own initiative
in cases requiring a quick decision.
The league will work for soldiers'
wives so long as its help is required.
A donation of \$5 from Miss Hunter,
of Cambridge, a faithful friend of the
league, was gratefully received.

The treasurer, Mrs. Gordon, report-
ed \$69.10 in the bank.
Mrs. Smith told of the plans for
meeting in a body to welcome the

**Mrs. Baker Says Use Dodd's Kidney
Pills for Dropsy and Heart
Trouble.**

She Suffered Till She Took the Ad-
vice of Friends—Ask Your Friends
About Dodd's Kidney Pills.

St. Catharines, Ont., May 22.—(Spe-
cial.)—That dropsy and heart trouble
are caused by weak kidneys, and that
the right way to treat them is to use
Dodd's Kidney Pills is again shown
by the experience of Mrs. Baker, a
well-known and highly respected resi-
dent of this city.

"I had dropsy and a weak heart
for some time," Mrs. Baker states.
"I was advised to try Dodd's Kidney
Pills, and found them very beneficial,
as the dropsy has left me and my
heart is much stronger. I am better
than I have been in years."

"I recommend Dodd's Kidney Pills
to anyone suffering from dropsy or
heart trouble."
Both Mrs. Baker's ailments were
caused by weak kidneys failing to do
their work of retaining the impurities
out of the blood. The work of the
heart was doubled by having to pro-
pel blood thick with impurities to all
parts of the body. Ask your neigh-
bors if Dodd's Kidney Pills do not
cure weak or sick kidneys.
