A BACHELOR'S CONSOLATION

Our hero replied. "What's the use of the our!
If one of the stitches is best,
Why that is the right one to use all the time,
And what will you do with the rest?" is The "Howe" and the "Wilson" both vainly he tried,
The "Domestic" and "Osborne" as well.
But the "Howe" was too heavy, the "Wilson" too light, And the "Osborne" broke down on a fell.

The "Finkle & Lyon" or "Victor" he tried, The "Ætna," "Blees," "Leavitt" and "Weed," Till worried and vexed with his fruitless research He scarce hoped in the end to succeed. whose of average After trying in vain many other Machines, Without any hope of success. He called where the "Singer New Family" w kept, And they quickly relieved his distress. -

For here half a dozen machines were engaged.

In stitching of different sorts,
Which they did so complete, and with so little He acknowledged the truth of reports.

In lightness of running, in stillness and speed,
In construction so simple, yet strong.
Sure none but the "New Family Singer" would
vie,
Though he'd searched through the infinite
throng. Then the stitch was so neat, so elastic, so strong That he vainly endeavored to break it, And so many advantages in it combined That he quickly decided to take it.

of Alcohol. The question is almost daily asked. "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR RITTENS in healing the relieving Congestion or Inflammation of the Liver and Visceral Organs, in Rilious Diseases.

The properties of Dr. Walker's Vinegar Bitters are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorfic, Alterations

In their tred nert, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healtly functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
