Young Ladies' Academy of the Grey Sisters.

OTTAWA CONVENT.

Under the Patronage of His Lordship the Right Reverend Dr. GUIGUES.

THIS Institution, established some Twenty years ago, is well calculated by its position between Upper and Lower Canada, to afford the greatest facilities to French and English Young Ladies, for acquiring a complete education in their mother tongue and at the same time, in another tongue that is foreign.

Nothing has been neglected that could contribute to attain this double end, and the ample and honourable testimony constantly rendered, proves the effort to have been successful.

Among many means employed to develope the intellect and cultivate a literary taste, are a well regulated Post Office and a Weekly Newspaper, edited exclusively by the young Ladies.

In the Commercial course a practical emulation is excited by a Bank and Commercial Rooms, in which business is transacted in both languages.

It is a particular point of the rule that some of the recreations of the day are, each alternate week, strictly French and entirely English, for those who are capable of speaking both languages.

Those who study Music will find everything that could secure them rapid and brilliant success; for this, it suffices to say that no fewer than Six Teachers are devoted to this Department, which embraces the Harp, Piano, Guitar, Melodeon, Organ, &c.

A similar number of Mistresses preside over the different kinds of Painting in Oil, Pastille, Poonah Painting, and the different kinds of Drawings, Embroidery, Wax Work, Artificial flowers, &c. The Ornamental is not permitted to supercede the useful; for all the pupils are obliged to learn the theory and practice of Domestic Economy.

No distinction of Religion is made in the admission of pupils. Children of different denominations, though obliged to conform strictly to the order of the House, are not required to assist at the Religious exercises of the community.

Circulars containing particulars can be obtained by addressing the Lady Superior.

The Classes will re-open on the First September.

Dr. Ward's DEAD SHOT *WORM CANDY.*

(CERTIFICATE.)

Albany Medical College
December 15, 1862.

I do hereby certify that I have analyzed Dr. Ward's Dead Shot Worm Candy, and to the public I would say that they contain nothing that is in the least injurious to the youngest infant. They are entirely vegetable, and possess those truly anthelmintic qualities which above all others are preferable as exterminators of the common Tape Worm.

J. V. P. QUACKENBUSH,
Prof. of Obstetrics and diseases of Women and Children.

This Medicine has been prepared by the proprietors for a number of years; has been used with the most decided success in numerous families of the first respectability, and has received the approval and recommendation of several eminent medical gentlemen. The most alarming symptoms of the disease arising from the prevalence of worms in the intestines have been speedily and entirely removed by the use of the VEGETABLE WORM CANDY.

Dreadful indeed are the effects of these pernicious vermin on the constitution, destroying the appetite, vitiating the nourishing principles, and their certain consequences are paleness, emaciation, a stoppage of the growth, etc., and often followed by consumption and decline. Even where worms are not discharged, this medicine acts as a gentle and safe domestic physic—clearing the passages of whatever is noxious, introducing a healthy chyle into the constitution.

This is a purely vegetable preparation, and contains nothing that is injurious to the smallest infant, and children will eat them as quickly as common candy.

Price 25 cents.
