QUEBEC, Feb. 8 .- (By the Canadian Press.)—No liquor will be exported to other parts of Canada from the province of Quebec after May 1, if the new legislation brought down by the Provincial Government today is accept the Legislature.

by the Legislature.

One of the officers who prepared the liquor bill stated positively this evening that everything connected with the liquor traffic, including the export, will be in the hands of the commission of five members who will be appointed to administer the act. He said that there would be no export of spirituous liquors to outside points. These liquors will be imported by the commission and sold only in authorized depots in the province in quantities of one bottle at a time. W. Will Not Export.

"The Quebec Liquor Commission," he said "will not be a source of supply for other provinces. It will import for the needs of consumers in this province but positively not for export."

The same official added that there is nothing that will prevent the export of beer or of wines to outside points, but all such shipments must be made by the rallways and must be done publicly.

Abolishes System.

The bill, the provisions of which have been forecasted in dispatches from Quebc for weeks, provides for the entire abolition of the present system of handling liquor in Quebec.

The sale retail of all kinds of liquor will be in the hands of vendors appointed by the commission. The most drastic regulations will be imposed to prevent bootlegging and other infractions. The Glow of Health Comes

You to If you are careful to follow the

advice of your older friends or relatives For over 50 years ago, Dr. Pierce, then a young practicing physician discovered that a prescrip tion made up of Lady-slipper root, Viburnum, black and blue Cohosh, Unicorn root, Oregon Grape root, and made into a liquid extract, or tablets, without alcohol, was wonderfully efficient as a tonic for those pains and ills so common among the women folks. This

woman's tonic has sold as Dr. Pierce's Favorite Prescription for over fifty years and is just as popular and efficient now as at any time. Over a million bottles were sold last year and many of your friends and neighbors can testify as to how good it is.

NIAGARA FALLS, ONT .- "Dr. Pierce's valuable remedies are kept in stock at our home, and have been so for a number of years. I first used them in Port Arthur as a trial bottle of 'Favorite Prescription' was given to me. I wish to truthfully state that I believe it saved me from an operation. If all ailing women, would only take a trial bottle, there would be fewer broken-down and disheartened women. Remember, this is not a patent medicine put up by a quack doctor, but is a good, first-class herbal medicine that produces wonderful results in a short time."-MRS. CATHERINE DEMPSEY, 32 Bridge Street.

Under its provisions the Quebec Liquor-Commission shall consist of five persons constituting a corporation and vested with all rights and powers belonging generally to corporations. Mem.
