NUPTIAL EVENT

Kress—Chambers
 A pretty wedding was solemnized at the home of Mr. and Mrs. Andrew Kress, John St. E., yesterday afternoon when their only son Mr. Louis Kress and Miss Eve Chambers were united in the bonds of Holy matrimony, in the presence of a large circle of friends.

Rev. E. Brookelmann officiating. The bride, who was given away by her mother, looked lovely in a wedding gown of cream duchess silk and carried a shower bouquet of cream roses. She was assisted by Miss Paule Kress who wore a gown of Alice Blue silk and carried a bouquet of shell pink carnations. The groom was assisted by Mr. Clayton Kress.

The ceremony was performed in the parlor under an arch of orange blossoms and roses and during the entry of the bride party, Miss Ethel Cookman, of Dorking played Lohengrin's Wedding March.

After receiving the congratulations of the assembled guests, the bride and groom were taken to the dining room where they were seated at a table with white and pink decorations. The wedding dinner was served.

The groom's gift to the bride was a cut glass water set, to the bride a cameo ring and to the groom a pair of cuff links.

The bride was the recipient of many costly, ornamental and useful presents showing the high esteem in which she is held by her many friends who join heartily in wishing Mr. and Mrs. Kress many years of happy married life.

A reception was held for the young couple last evening music being supplied by Rocco's Orchestra and a few pleasant hours were enjoyably spent.

Over 100 guests were present from St. Thomas, Dorking, Elmira, Baden, Hamilton, London, Glen Allen, Kitchener and Waterloo.

Mr. and Mrs. Kress will reside in Waterloo.

Niagara Fruit Crop May Be Short

GROWER SAYS MANY PEACH ORCHARDS WILL YIELD SCARCELY NOTHING.

NIAGARA FALLS, June 18.—W. H. Bunting, the well-known and extensive fruit grower, of Grantham, who is an authority to go by, draws an exceedingly gloomy picture of fruit prospects in the Niagara fruit belt for this year. While travelling through Niagara Township he pointed out orchard after orchard of peaches which will yield scarcely any fruit this year owing to the devastation of the curl leaf.

"The situation is entirely reversed," said Mr. Bunting. "A month or so ago the prospects for a bumper crop of everything practically seemed very bright. Then the wet weather came on and spoiled everything. Many of the low leaves will die and the vast majority will not yield any fruit this year."

But few other fruits, Mr. Bunting said that other fruits were in the same class, pears, cherries and plums. The sweet cherry crop is practically all and the sour cherries about 25 per cent. he said. This was because the rain washed the pollen out of the blossoms. Apples will be short, too, Mr. Bunting said, as the trees did not come out well with the blossoms.

Throughout the district presents a dreary sight with the tree all yellowed and sickly looking with the curl leaf, and the fruit growers feel pretty gloom. They also say they are short of help this year.

MORTGAGE CO. IS WOUND UP

When the Standard Reliance Mortgage Company closed its doors yesterday afternoon, and a winding up was granted by Mr. Justice Masten on the request of the directors, there was seen the result of heavy speculation in Toronto and suburban lands by a subsidiary company, the failure of which came with the war and the collapse of the city's real estate boom.

It is one of the most serious financial failures in years, with liabilities of about \$8,500,000 and assets which it is hoped will, by careful nursing, ultimately meet the claims of the depositors and debenture holders. More conservative financiers in the city last night, while deploring the occurrence, spoke of the methods of the company as being unusual and thought the event gave no cause for anxiety on the general situation. Though loan companies are not permitted to buy and sell lands, this company had, they said, violated at least the spirit of the law by carrying on a large business of this kind through the agency of the Dowercourt Land Company, a subsidiary corporation, whose stock was owned by the Standard Reliance.

June Nuptials

MILLWAIN-KIRBY
 Another pretty June nuptial event was a church wedding at St. Andrew's Church. The principals were Lillian Adelaide, daughter of Mr. and Mrs. J. B. Kirby, Margaret Avenue, and Mr. Harold Osborne Millwain, of Toronto. The ceremony took place yesterday afternoon when the edifice was beautifully decorated for the occasion with peonies and marguerites.

The bride was prettily attired in a gown of white satin with court train and wore the customary veil caught with orange blossoms, she entering the church leaning on the arm of her father. The ceremony was performed by the Rev. D. McKencher, of Waterloo.

The maid of honor was Miss Florence May Anderson while the bridesmaid was Miss Wilma Millwain. During the solemn ceremony Prof. G. Ziegler played the organ and Miss Anderson sang "Beaneau."

A reception followed at the bride's home where marguerites and peonies were the decorations.

Among the attendants from a distance were friends from Toronto, Hamilton, Brantford, Galt and Guelph.

The groom's gift to the bride was a handsome string of pearls, and to the bridesmaid a pearl pin, and to the ushers and the groomsmen pearl pins.

The bride couple left on the 5.20 train for Georgian Bay on a honeymoon trip after which they will reside in Toronto. The good wishes of their many friends go with them.

Young—Hulme.
 A very pretty June wedding took place at the home of Mr. and Mrs. Wm. Hulme, 35 Irvin St. at two o'clock on Wednesday afternoon when their youngest daughter Gertrude was united in the bonds of holy matrimony to Mr. Jack Young, youngest son of Mr. George Young, of St. Bromley, London, England, in the presence of the immediate friends of the contracting parties, the Rev. Maurer officiating.

Precisely at the appointed hour the bride, beautifully gowned in white silk with silver trimmings and wearing a tulle veil with coronet of pearls and carrying a bouquet of white peonies entered the drawing room leaning on the arm of her father to the strains of Lohengrin's wedding march played by Miss Clara McDonald, while Mr. H. Peacock of Stratford sang O Promise Me. The bride was assisted by her sister, Miss Clara, who was beautifully gowned in pink carrying pink peonies. The groom was assisted by Mr. Ted Berwick.

The home was beautifully decorated with ferns, orange blossoms and pink and white peonies.

The groom's gift to the bride was a diamond ring, to the bridesmaid a pearl ring, and to the best man a pearl tie-pin.

After the reception and wedding dinner Mr. and Mrs. Young left for a honeymoon trip to Toronto, Niagara and Buffalo after which they will take up their residence on South Water Street.

The bride received many beautiful and costly gifts showing the high esteem in which she is held by her many friends.

The marriage took place yesterday of Mr. John E. Morrison and Miss Laura Mae Hiller. The ceremony was performed by Rev. A. S. MacCreedy. The bride couple will reside in this city.

SCHMIDT-PAETZ

St. Peter's patronage was the scene of a nuptial event at three o'clock this afternoon. The contracting parties were Mr. Oscar Schmidt of 12 David Street and Edna, daughter of Mrs. Marie Paetz, 78 Stanley Street. The ceremony was performed by Rev. Dr. Sperling. They were attended by Mr. Frank Paetz, a brother of the bride and by Miss Lillie Schmidt, a sister of the groom.

The bride was prettily attired in white silk and her travelling suit was navy blue corded silk.

The event was attended only by the immediate relatives and friends.

The groom's gift to the bride was a pearl and diamond sunburst and to the bridesmaid a cameo brooch and to the groomsmen a pearl earring.

After a reception at the bride's home the bride couple left on a honeymoon trip to Eastern points going via motor, after which they will reside temporarily on David Street.

GABEL-EIDT
 The marriage took place at two-thirty o'clock yesterday afternoon of Mr. Hiram Gabel, of Shakespeare and Miss Flossie Eidt, of New Hamburg. The event was solemnized at the Zion parsonage by Rev. Mr. J. P. Hauch. The attendants were Mr. W. M. Eidt, of New Hamburg, a brother of the bride and Miss Bertha Gabel, of Shakespeare.

After a honeymoon trip to Toronto, Niagara Falls and other points, they will take up their residence on Henry Street.

KAUFMAN-MEYERS
 A nuptial event of interest took place in the city yesterday when Mr. Franklin Kaufman, of the Preston Road, was united in marriage to Miss Gertrude Elizabeth Meyers of this city, formerly of Wilmot. The ceremony was performed by Rev. J. P. Hauch, and took place at the home of the bride's brother, 52 Locust Street.

It was attended by only the immediate friends.

After a honeymoon trip to Buffalo, Niagara Falls, and other points, Mr. and Mrs. Kaufman will take up their residence on the Preston Road.

There will be no open air concert tomorrow evening owing to the W. M. S. Band taking part in the annual tattoo in Galt.

PICNICS BEING BOOKED
 The booking of dates for picnics at the Park are very much in excess of last year and the biggest season in the Park history is anticipated.

PICNIC TOMORROW
 The Methodist Church Sunday school and congregation are holding their annual outing in the park tomorrow afternoon.

WILL PLAY AT FREEPORT SHORTLY
 The Boys Band will entertain the soldiers at the Freeport Sanatorium to a band concert in the course of a few weeks. It will be held on a Sunday afternoon.

WILL START SCHOOLS
 At a largely attended meeting held last night in the Y.W.C.A. it was unanimously decided to establish in the City of Kitchener one or more Vocational Bible study schools during the summer months.

Rev. R.S. Buckingham of Ottawa who is interested in this work was present and outlined the work. The idea is to have a place where school children may have a place to go to during the summer holidays that will be useful to them in the after life. The school will be held in the mornings from 9.30 to 11.30 and will last for 5 or 6 weeks.

There will be kindergarten classes, sewing and domestic classes for the older girls and manual training for the boys.

A number of teachers from the public schools have signified their intention of taking part in the work and the schools are an assured fact. A committee was appointed last night to pick out the location of the different schools with full power to act.

This afternoon another meeting is being held when further details will be gone into.

SPARKS' CIRCUS PLEASE MANY
 They Carry a High Class Line, So That Accounts for it. They have come and gone! A victory was scored here as elsewhere by Sparks Circus. Yesterday the thousands of attendants at the shows at Woodside Park were impressed with these famous shows have to offer. Sparks Circus came here with a high reputation and they left with this reputation still higher if that is possible. The consensus of opinion of the attendants at the afternoon and evening performances is that the shows are the best and of the highest class that have ever visited this city.

The shows in every department are a credit to the owners. In the ability and skill of the performers in the management and care in the tents and everywhere on the grounds, it is evident that the shows excel. Courtesy is a conspicuous feature. Everything that can please the audience seems to be done by the management.

Regarding the performances the shows carry the best in acrobatics, stunts, trained wild animals and also trained pet animals. Seldom has a circus been seen here which had such a good list on its bill.

The stunts by skilled and clever Japs, the trapezium and bar work, the high rope walking the performance of the splendid and well kept horses, that of the highly trained sea-seals and last but not least the wild west show all these are evidence that the show is worth while going to see.

After the regular show a special performance was put on in the way of the Wild west events. At this some clever horse back riding by the cow boys famous on the continent was shown. Also roping was demonstrated as it is done on the wild prairies and an inkling given to the basis and incidents which go to make up the real wild west stories depicted on the screen.

The side shows carried by the circus are the higher class. There is nothing that puts some shows on the lower level which is sometimes seen. The control and overseeing in the shows is remarkable. Everything goes without a hitch, and without causing any distraction.

Sparks circus have come and gone but the patrons have not forgotten it. Nor will they. They have left behind pleasant reminiscences which it is hoped will at some future time be followed by another visit here.

FROM WHENCE COMES CHAUTAUGA
 The Kitchener Chautauqua is made possible by the good will, interest and financial backing of 75 of our business men. The program is built by the Co-Operative Dominion Chautauqua. The office is at Toronto

and managed by Dr. Norman Piss. Realizing the value of the Chautauqua to the city and community, enterprising people do not hesitate to lend a hand to the valuable institution. Such men as Evans, Peadar, Bohn, Bohn and Skehill bring ideas from many quarters of the land. Evans is a Welshman and a nephew of Lloyd George. Peadar is a true-blue Frenchman. Adam is Pastor of the Emmanuel Congregational Church of Montreal—a first cousin to Gladstone. Bale hails from Ohio. Bohn—You know of him, nufficed.

Skehill—Say, but he has a fine sense and message comes to us from Australia. His humorous poems were the rage in England during the war. Land and wrote a poem. Roosevelt said of him: "I am prouder to be on the platform with Tom Skehill than any other man I know."

No one can afford to miss the Chautauqua.

MUST REDUCE NUMBER OF LIQUOR ORDERS OR BE PUT ON "BLACK LIST."
 TORONTO, June 19.—Some 50 Ontario doctors will within the next few days receive from the board of license commissioners a plainly worded warning that they have been issuing far too many prescriptions for liquor, and that unless they immediately give and the board proper assurances that the numbers of orders on the Government shops will be reduced, or prove that the prescriptions issued are rightly issued, instructions will be issued to the agencies to refuse to honor any physicians.

A number of the doctors are being offered an opportunity to appear before the board in person to explain why they have been issuing so many prescriptions and if any of them fail to do so the board will feel itself free to "black list" the doctors' orders.

As a starter the board is dealing only with the worst offenders, the doctors who have been issuing over 200 prescriptions a month. The board is putting into effect at once a new system of orders on the Government agencies. Requisition books serially numbered with 100 orders in each are being issued to the doctors. The doctors are made after the fashion of check books with a stub arrangement.

It is hoped by this system to put a stop to the circulation of bogus orders which has been possible by the vendors and could not be checked up.

Duncan Blue, Springfield, N.S. was accidentally killed in a coal mine.
