Total... 358

In the Agency for Victoria and Madawaska there is no marked change in the condition of the Indians. They are in comfortable circumstances, and increasing in number. There is a school on the reserve at Tobique, which is reported of favorably.

These Indians are also Amalecites. Those on the reserve at Tobique, in the County of Victoria, number 152; and those at Little Falls, in the County of Madawaska, number 32.

This Department was recently advised that His Honor the Lieutenant Governor in Council had set apart for Indian purposes lots 99 and 100, situated at the outlet of Lake Cheputneticook.

PRINCE EDWARD ISLAND.

The Indians of this Province are of the Micmac tribe. They have three reserves —two being on the main island at Mount Stuart and on the Morell Settlement; the other consists of Lennox Island, which lies to the north-west of the main island, and is a special reserve held by trustees for Indian purposes. The total Indian population is stated at 312.

The Agent, who is also school teacher and farm instructor, resides on Lennox Island. He reports that the Indians are gradually improving in farming, and that more land has been cleared and broken for the first time this year than was formerly the case.

The very small number of children who attend school, and the irregularity of the attendance, are very much to be regretted.

EDUCATION.

I regret to have to report that general effect has not yet been given to the arrangement referred to in my Report for last year, under which it was hoped that Indian schools in the various Provinces would receive similar inspection, at the
