So you plan to spend the Summer in Europe this year. Great. Two things are mandatory. A ticket to Europe. And a Student-Railpass. The first gets you over there, the second gives you unlimited Second Class rail travel for two months for a modest \$150 in Austria, Belgium, Denmark, France, Germany, Holland, Italy, Luxembourg, Norway, Portugal, Spain, Sweden, and Switzerland! All you need to qualify is to be a full-time student up to 25 years of age, registered at a North American school, college or university.

And the trains of Europe are a sensational way to travel. Over 100,000 miles of track links cities, towns and ports all over Europe. The trains are fast (some over 100 mph), frequent, modern, clean, convenient

and very comfortable. They have to be. So you'll meet us on our trains. It really is the way to get to know Europeans in Europe.

But there's one catch. You must buy your Student-Railpass in North America before you go. They're not on sale in Europe because they are meant strictly for visitors to Europe—hence the incredibly low price. Of course if you're loaded you can buy a regular Eurailpass meant for visitors of all ages. It gives you First Class travel if that's what you want.

Either way if you're going to zip off to Europe, see a Travel Agent before you go, and in the meantime, rip off the coupon. It can't hurt and it'll get you a better time in Europe than you ever thought possible.

Prices quoted in U.S. dollars.
