

Trinidad ²²¹⁷⁵ Colo 10/15

Mr W L Mackenzie King
Denver Colo

My Dear Mr King -

I enclose a copy of the provisional program of our coming conference, as I remember you were much interested in the one we held last April even though you got into the wrong room. I also enclose a copy of a letter issued by the County Supt of schools which shows the co-operation we are getting -

I am surprised at the interest that has developed among the educators of the higher institutions of learning
