Right Honourable W. L. MacKenzie King,  
Premier of Canada,  
Ottawa, Ont.

Sir:

The members of this deputation representing the ex-service men throughout Canada, as indicated hereunder, desire to petition the favourable consideration by your Government of various recommendations with regard to legislation affecting the welfare of ex-service men and dependents.

The petition of the delegation relates chiefly to the more important matters already recommended by the Royal Commission on Pension and Re-establishment and the Select Committees of the House of Commons.

It is earnestly hoped that further consideration of these matters by Parliament, during the present session, will result in the enactment of remedial measures most urgently required.

I am, Sir,  
Yours faithfully,(signed) W.D. Sharpe,  
Dominion President,  
G.W.V.A. of Canada.
