

Ottawa, 30th December, 1909.

Sir,

I enclose herewith for your information copy of a circular letter issued by the Department on the 21st November calling for a statement showing the kind and quantities of supplies received this year at the different agencies from the Department's ware-house at Winnipeg. All the returns asked for have not been received and the attention of the Agents is being called to the matter.

When sending out the circular it was intended to forward you a copy, but it is possible you may not have received one. I shall be glad if you will kindly forward to the Department at your early convenience a statement relating to the File Hills Agency such as asked for in the circular in question.

Your obedient servant,

*[Signature]*  
Secretary.

W. M. Graham, Esq.,  
Inspector of Indian Agencies,  
Balcarres, Sask.
