I am forwarding this Band resolution in the event that the Department decides that Arthur Petersen has forfeited his right to this land, and would suggest that his debt of \$260.00 be waived in compensation that the Indians regain possession of this fine piece of land without causing any more ill-feeling than is possible.

J. S. Dunn,
Indian Agent.

JSD/DD
Encl.

One piece of land, 100 acres, was given to Arthur Petersen by the Department of Indian Affairs in 1944. The land was given to him in full payment of a debt of \$260.00 which he owed to the Department. The land was given to him in full payment of a debt of \$260.00 which he owed to the Department.
