

H. CHUBB & Co., Steam Job Printers, 65 Prince Wm. Street.

"The Wisdom of the King,"

By REV. JAMES BENNET,

Minister of St. John Presbyterian Church, St. John, N. B.

"Evidence of deep and serious thought throughout the volume."
—*Belfast News Letter*, Jan. 24th, 1871.

"Succeeds well in seizing on the salient points of the words of the Royal Preacher, and in bringing them home to present duty."
—*Glasgow Daily Review*, Feb. 6th, 1871.

"Characterized by directions of mind, sound sense, and right appreciation of the sacred writer's meaning."—*The Preachers' Laurels*, Feb. 1871.

"It is a good book of sterling value."—*British and Foreign Ecclesiastical Review*, April, 1871.

"His Book may be recommended as worthy to take a place in the Homiletical Literature of Ecclesiastes."—*British Quarterly Review*, April, 1871.

"The volume is not an unworthy companion of Dr. Buchanan on the same book."—*The Homilist*, London, April, 1871.

"A series of charming Essays. . . . Each chapter branches out into innumerable topics of a secondary and collateral nature, giving to the work a boundless diversity, enriched with stores of ethereal as well as of spiritual wisdom, evincing at once acute observation of social life and of human character, and containing the noblest lessons for practical guidance. Our author's style is remarkable for its free unconstrained flow, almost colloquial at times, but invariably signalized by elegance, force, adaptation to the subject, and not seldom by originality of thought in combination with terseness and beauty of expression. . . . There is about it a freshness, as well as a fullness of practical teaching rarely to be met with in ordinary Biblical commentaries."—*Londonderry Standard*, Feb. 15th, 1871.

"This is a bright, breezy book, both interesting and instructive. We can most conscientiously commend this book generally, as one of the most sprightly, attractive and instructive works of its kind that has fallen under our observation."—*Boston Evening Traveller*, May 6th, 1871.

"This is a remarkably thoughtful, solid book. Mr. Bennet is evidently at home in Metaphysics and Ethics, and he is a shrewd observer of human nature in its ordinary manifestations, consequently he ranges over the lessons of the Preacher with a power of illustration which shows his mastery of the subject. The style is close and direct, and yet so lucid, that any reader may understand every sentence in the volume. . . . It will, we doubt not, take its place, as it ought to do, among our household expositions of this treatise of observation and Jewish wisdom."—*The Press*, (Philadelphia), 20th May, 1871.
