

SNIPE SHOOTING.

WHEN gelid frosts encrust the faded ground,
And dreary winter clouds the scene around ;

The timid snipes fly to the sedgy rills,
Or seek the plasies on the upland hills.

The sportsman, now, wakes with the gleaming morn,
His gun makes fit, refits his pouch and horn,
And to the swampy meadows takes his way,
With sport and exercise to crown the day.

New Moon 5th Day, 12h. om afternoon

First Quarter 13th Day, 11h. 44m, afternoon

Full Moon 21st Day, 1h. 27m, afternoon

Last Quarter 28th Day 6h. 36m morning
