Dow's Sturgeon Oil Liniment has never been puffed into favor—it has always pushed its way by its own merits, its inventor did not label it as good for such and such diseases, regardless of truth, but carefully trying it, where he found it useful he kept a note of it, trying it again in similar cases until he was sure of its efficacy. In this way he was led to use it in his practice for Neuralgia, Rheumatism, Contracted Joints, Lumbago, Sciatica, Cramp in Muscles, Sprains and Bruises, and for all these he found it a most valuable remedy, and now that it has been many years before the public, and its value thoroughly tested, he can still bear his testimony that he has found no other remedy in his wide experience which can do more good by external application than the Sturgeon Oil Liniment. He has seen contracted joints which seemed gone beyond hopes of recovery, yield gradually under its persistent use, in a way which astonished him, and the severest pains of Sciatica vanish like a dream under its soothing application. If for these diseases there be a better remedy than his Sturgeon Oil Liniment, he has yet to be informed of it.

*Dr. Dow. Dear Sir*—Your STURGEON OIL LINIMENT is doing wonders here in the way of healing Rheumatics. Perhaps the most remarkable case is that of a neighbor of mine who has been suffering from Rheumatism some fifteen years. He is now well, and for the great blessing he now enjoys he is indebted, under Providence, to your Liniment. Send me another supply immediately. B. T. SHORT.

*Dr. Dow. Dear Sir*—Having tested the virtues of your STURGEON OIL LINIMENT in the cure of a most obstinate disease, I feel impelled to relate the particulars of my case for the benefit of persons similarly afflicted. The disease was at first acute or inflammatory, but became at last a most obstinate chronic complaint, defying all attempts at cure. During the whole of four years I was in more or less pain continually, and was confined to my room, or obliged to hobble on crutches at least six months in the year. After using one bottle of your LINIMENT I experienced great relief, both as regards pain and the use of my limbs. After using the second bottle I could walk out and attend to business. I feel it a duty and pleasure to send you the above few facts.

GRAND RIVER N.B. Feb 14 1876

*Dr. Dow. Dear Sir*—I never expected to be able to write such a letter as this, to say that I am clear of Rheumatism. I hardly knew what to make of it, after suffering excruciating pain for years. At every coming storm my whole body and joints were in the greatest possible torment man could bear, and somehow or other it always appeared to me as if nobody pitied a man with the rheumatism. However, thanks to you I now ask no man's pity on that score. I can do as good a day's work as I ever could. I used but two bottles of your STURGEON OIL LINIMENT, and now feel like another person.

*Dr. Dow. Dear Sir*—I have been afflicted with chronic Rheumatism for fifteen years, —ten out of the fifteen mostly helpless—at times not able to raise out of my chair without assistance. My limbs were swollen and joints stiff. I applied to all the physicians within my reach without benefit. I have used but three bottles of your STURGEON OIL LINIMENT, and am now as well as any person of my age (fifty-six). The pain and swellings of my limbs have disappeared. I can walk as well as ever I could in my life. D. W. REEVES.

SALMON RIVER, N.B., Dec. 5, 1876.

*Dr. Dow. Dear Sir*—Your STURGEON OIL LINIMENT cured me of Rheumatism of four years standing. I suffered with severe pains during a great part of the time. No other remedies could cure, or even do me any good. But your Liniment has, and my health is entirely re-established. That I should be sincerely grateful to you is natural enough, and I am, and that you will be rewarded is the sincere wish of

*Dr. Dow. Dear Sir*—About three years since I became a cripple from Rheumatism, through the indiscretion of bathing while overheated. My joints and limbs were drawn out of shape by the excruciating pain, and my general health was bad. Medicines did not reach my case until I used your STURGEON OIL LINIMENT. I gave it a trial and two bottles cured me. I am now free from the complaint, and even my distorted limbs are recovering their shape and pliancy.

ALMA, Dec. 6, 1876

*Dr. Dow. Dear Sir*—I suffered from the Rheumatism during last winter more than pen can write. I was bed-ridden all winter, suffering all tortures flesh can bear. It
