

A GREAT MEDICAL TRIUMPH!

NEW PRINCIPLES IN PURGATION SECURED BY
DR. RADWAY'S PERFECT PURGATIVE PILLS.

1.—A Vegetable Substitute for Calomel.

2.—Counter-Irritation, made perfect in Radway's Pills, that withdraws inflammation from Congested Blood Vessels, Nerves, Liver, Stomach, Bowels, Kidneys, and other viscera, and purging all excrementitious, corrupt humors, and diseased deposits from the system.

3.—In these Pills a nourishing and nutritious principle is secured, by which the blood, juices, and fluids of the system become invested with the vigor of life—they are the only purgative medicine that strengthens during the process of purgation. These Pills act as a solvent and tonic to the gastric juice, enabling this solvent of the system to properly dissolve the substances taken into the stomach, and aid digestion and the conversion of said substances into the proper constituents to make pure, rich, and wholesome blood, the deficiency of which is the cause of Dyspepsia, Indigestion, Diabetes, and many urinary difficulties, etc.

4.—They regulate the organs of the system; restoring functional harmony and securing the secretion of the proper constituents of each organ; by their action the liver secretes its allotted proportion of bile—the lungs carbon—the skin sweat—the kidneys urine, etc.

5.—The aged, and persons subject to Constipation, Costiveness, Paralysis, and Weakness of the Bowels, Kidneys, and Bladder, etc., that have to resort to injections, by taking two or three of Radway's Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the Bowels, Liver, Kidneys, etc., that may be worn or depleted by age.

6.—In these Pills, a want that science has ever failed to supply is secured, and that is a thorough purgative that can be given in safety in cases of eruptive fevers, as Small Pox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers; when the Mucous Membrane becomes ulcerated, these Pills purge thoroughly, and heal ulcerated and excoriated parts.

7.—These Pills are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills. Two of Radway's Pills will act quicker than half a dozen of the common drastic pills in general use.

ELEGANTLY COATED—NO TASTE OR SMELL—SCOURING THE INSIDES.

Persons who take pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, etc. *Mandrake*, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Bache's U. S. Pharmacopæa).
