FORSYTH'S FAULTLESS CATARRH CURE.

— A Positive Cure for —

Catarrh and Cold in the Head.

It is easy to use, and gives Immediate Relief.

CATARRH Is one of the most aggravated diseases we have to contend with in this changeable climate of North America, and all classes are subject to it, and many neglect it and allow it to become chronic, and oft times develop into Consumption. It may have started with a slight cold in the head which could have been cured by using

Forsyth Faultless Catarrh Cure.

Forsyth Faultless Catarrh Cure gives immediate relief for Cold in the Head, and will cure Catarrh in all its forms if used persistently and according to directions. By applying, it removes the Inflammation from the affected parts; by inhaling the fumes, it clears the air passages and prevents lung trouble, and by taking internally, it works on the Stomach, Kidney and Bladder.

Sold by all Druggists.

Price 50 Cts. per Bottle

TESTIMONIALS.

MR. JOHN FORSYTH, Berlin.

DEAR SIR:—I have been using Catarrh remedy of different kinds for the last fifteen or sixteen years, but find Forsyth's Faultless Catarrh Cure the best that I have used, and have no hesitation in recommending it to anyone troubled with Catarrh or cold in the head.

Yours Sincerely,

Lakefield, Ont., Feb. 7, 1896.

W. HARPER, Hardware Merchant.

JOHN FORSYTH, Esq., Berlin, Ont.

DEAR SIR:—I have much pleasure in recommending F. F. Catarrh Cure as the best remedy to be had for a cold in the head. I have used the same for over two years in my family, and would not be without it at any price, for cold in the head. You will get relief after one application if taken according to directions.

Respectfully Yours,

Guelph, Feb. 24th, 1896.

WM. H. ZIEGLER, Dry Goods Merchant.

DIRECTIONS.

For Catarrh or Cold in the head.—Take a little of the remedy and rub the temples and sides of the nose; then pour a little in palm of hand, rub both hands together, then partly open the hands and inhale the fumes into the nose and throat.

For Catarrh of the Throat and Bronchial Tubes.—In addition to inhaling take from 10 to 15 drops every second day in a wineglass of milk. Use 3 or 4 times per day. Shake bottle well before using. Keep bottle well corked. **Price 50 Cents.**

If your Druggist does not keep it, send direct to me, enclosing price, \$1.00, and I will send you two bottles, carriage prepaid. Write your address plainly.
