2. Let the pupils tell the story orally.
3. Usc any part of it as a dictation lesson.
4. Use the lesson as supplementary work in oral reading.
5. Let the pupils write the siory in their own words.

## THE LAND OF NOD.

Have you ever been to the Land of Nod ? I was there last night. It is the most wonderful place that ever was seen. All the babies in all the world are there. Their mammas and papas, brothers and sisters are there, too. The houses are made of caramels with doors of plum cake. Whenever you are hungry, you can just go to a door and eat all you want. It rains honey and cream, and whenever it hails great chocolate drops and peanuts come rattling down. It snows white sugar and pink ice cream. The fountains run lemonade, and pies and cakes grow on every tree. If you want to go to this wonderful land, you must climb into mamma's lap, shut your eyes tight, keep just as still as a mouse, and you will soon be there.
