The 38th Christmas Fat Stock Show and Fair, under the auspices of the Guelph Fat Stock Club, will be held on the 12th and 13th December, and as usual, will be a grand success. This is the Canadian Fat Stock Show, and we hope for increased entries and attendance this year. Write to the energetic Secretary, James Millar, of Guelph, Ont., for prize list, &c.

Mr. Howard has bought the imported Jersey cow, "Mabel," and the four year old heifer, "Bettina," from Hon. M. H. Cochrane, Hillhurst, Compton, Quebec.

A reference in our last issue to Foot and Mouth Disease being in the United States was an error. What exists in the United States is Pleuro-Pneumonia—its twin brother.

The Illinois Fat Stock Show will be held at Chicago from the 14th to 22nd inst. All particulars can be obtained from the Secretary, S. D. Fisher, of Springfield, Ill., U. S. A.

Messrs. Green Bros., the well-known importers and breeders of Short-horns, have removed from Oakville, Ont., to the Glen Stock Farm, Innerkip, Ont. We wish them increased success in their new quarters.

The Fat Stock Show at Toronto, under the auspices of the Board of Agriculture, will be held on the 14th and 15th December. Henry Wade, Secretary, Toronto, Ont., will furnish prize lists, &c., on application.

**CATTLE DISEASE.**—The *Huron Expositor* says a number of cattle and sheep have died in Logan from the effects of the "Foot and Mouth Disease" prevalent on account of the wet season. What does this mean?—Ed.

A meeting of the American Cotswold Association will be held at the Sherman House, Chicago, on the evening of Friday, 16th November, to which all breeders and others interested in Cotswolds are invited.

The Canada West Farm Stock Association, Bow Park, near Brantford, Ont., have made eleven entries of Short-horns and grade Short-horns for the Fat Stock Show. The exhibit will include the famous steer, "Clarence Kirklevington."

Col. John D. Gillett, of Elkhart, Ill., will exhibit thirty-five steers at the next Fat Stock Show in Chicago. He expects more spirited competition at the coming show than hitherto, but hopes to be able to "hold his own" with the best specimens.

Mr. Henry Arkell, of Arkell, Ont., recently sold five Cotswold ewes to Wm. Priven, Greenswold, Indiana, and six imported show ewes, same breed, to Frank Wilson, Jackson, Mich. Both lots were shown at Toledo, Indianapolis, and St. Louis, and were highly successful as prize takers.

At the late combination sale of Jerseys in New York sixty-four animals were sold, averaging \$341 per head. Among the leading sales were Jennie Pogis, one year old, the property of Valancey E. Fuller, Hamilton, for \$3,000; Daisy Pogis, same age and owner, \$2,400, and Glen Pogis, bull calf of last May, same owner, \$500.

The attention of our readers is directed to the great sale of Clydesdale horses by Galbraith Bros. at Chicago, Ill., on the 15th November. ## THE RAILROAD COLORS!

These Colors are very finely ground, and are all of the same thickness and consistency as white lead, only requiring to be thinned with raw linseed oil or turpentine to be ready for use.

THEY ARE THE BEST PAINTS IN THE WORLD!

for all interior or exterior painting, and are composed of TWENTY COLORS, all of which, in combination or contrast, are suitable for either purpose. The

MOST ECONOMICAL PAINT!

One painting with the Railroad Colors is the equivalent in every respect of two paintings with colors made of the best white lead. The

MOST DURABLE PAINT!

which can be obtained by any means and at whatever cost, and they will resist the influence of light, heat and moisture longer than any other paint. The superiority of the Railroad Colors for house painting, agricultural implements and general use is no mere matter of assertion. They have stood the test for years, and more than one hundred thousand houses stand at this writing throughout Canada and the United States painted with the Railroad Colors, and among all the owners of these there has not been in a single instance a reasonable ground for complaint.
