"What success have you had with the portrait of your mother-in-law?"
"Tremendous! It is such a speaking likeness that my brother, when he came to look at it, instinctively put his cigar behind his back."

"Our neighborhood is considerably stirred up," said the farmer as he paid his subscription. "Is that so? What's the trouble?" asked the editor, scenting an item of news. "O, nothing. Everybody's plowing, that all."

ANOTHER NEW LOT OF IMPORTED CLYDESDALES.

Goodfellow Bros., of Maceville, Ont., whose farm lies about two miles from Bolton Station, C. P. R., and whose reputation as breeders of high-class Shorthorn cattle is an enviable one, have made a new departure in their pure-bred stock operations by visiting the land of their forefathers, and importing an exceptionally good lot of Clydesdale stallions and fillies. The lot includes six stallions and nine fillies, and if the gilt-edged breeding and superior type, character and quality of this lot is an indication of the quality of their future importations, then some, or all, of the old importers will need to look to their laurels, for 'tis certainly many a day since such royal breeding and right good representatives of the breed have been landed in Canada. Any numbers used in this review of their breeding, will be their Canadian registration number.

Kirkcubright Baron 14055 is a bay, rising three years, by the great Baron's Pride, dam by the H. & A. S. champion, Prince Thomas, granddam by the four-times Cawdor Cup champion, Prince of Carruchan, great-granddam by the Highland and Glasgow first-prize horse, Flashwood, great-granddam by the £700 Garnet Cross. This is surely intensive breeding on prizewinning lines, and the colt was a winner himself. He has quality galore, and is smooth to a turn. Another bay, rising three, is Baron Gregor 14051, by Baron's Pride, dam by the Kirkcubright prize horse, Majestic, granddam by the noted sire, The Raider, great-granddam by the immortal Macgregor. This is one of the best two-year-olds imported in recent years. He has all the qualifications of a draft horse, and has quality to spare. Still another bay, rising three, is Baron Hope 14052, by Baron's Pride, dam by the unbeaten £3,000 Prince of Albion, granddam by the noted prize horse, Prince of Brunstane. He, too, is a colt of superb quality, and remarkably smooth. The three above mentioned have five numbered dams, and all were prizewinners in Scotland. Another bay, rising three, is Lomar 14053, by the popular prize and breeding horse, Baron Mitchell, dam by the renowned Prince Sturdy, granddam by the great Macgregor. He, too, has five numbered dams, and has character and quality galore. Pride of Albion 14056 is a black yearling, remarkably well-bred, and a colt of great scale and character. The fillies are particularly well-bred, and up to a big size. There are among them coming ton mares, and their underpinning is the very best. There are two three-year-olds; five two-year-olds; one yearling, and one foal. The three-year-olds are both in foal. One is by the well-known prize horse, Scott's Hero, the other is by Baron Scott. The two-year-olds are by the Aberdeen prize horse, Hyacinthus; the Cawdor Cup champion, Memento; the great Prince Sturdy; the noted Imperialist, and Argument. The yearling is a black, of grand quality, sired by the unbeaten champion, Everlasting, dam by the ever-popular Up-to-Time. Any one wanting a Clydesdale stallion or filly, and visiting Goodfellow Bros.' stables, will certainly not be disappointed in the lot, unless they are looking for a world-beater, and then some of these may make it.
