A fracton of the evidence which we possess concerning each disease, would be received before any Juni-CIAL TRIBUNAL as complete demonstration. It must be remembered that all this frightful array of maladies, though appearing in an endless variety of forms, are yet similar in their origin and causes. for they all spring directly or indirectly from corrupt fountain. If the blood were in a pure, healthy, and active state, it would drive all these complaints from the system, and chronic disease would be impossible.

was completely cared. N. B .- From advice just received, it appears that Colonel Done, who is with his Regiment in India, the 21st Facileers, cured himself of a very had attack of Fever by these celebrated Pills. There is no doubt but any Fever, however malignant, may be cured by taking night and morning copious doses of this fine medicine. The patient should be induced to drink plenty of warm linesed tea or barley water.

CURE OF DROPSY IN THE CHEST.

Extract of a Letter from J. S. Mundy, Esq. dated Kennington, near Oxford, December 2nd, 1848.

To Professor Helloway.

Six,-My Shepherd for some time was afflicted with water on the chest; when I heard of it, I immediately advised him to try your Pille, which he did, and was perfectly cured, and is now as well as ever he was in his life. As I myself received so astonishing a cure last year from your Pille and Ointment, it has ever since been my most earnest endeavour to make known their excellent qualities. J. S. MUNDY. (Bigned)
