## THE AULTMAN-TAYLOR "30"

One of the greatest factors in reducing the Cost of Production

Not until you are an owner of an Aultman-Taylor "30" will you fully realize what you have lost by insufficient, unreliable power. You no doubt have heard about the wonderful records these tractors are making. The Winnipeg Motor Contest proves our claims of superiority. Not only did the Aultman-Taylor "30" win the Gold Medal in the large gasoline class by 44 points over our nearest class and delivered a greater horse power draw bar than any kerosene or gasoline engine of any other make. Write us for full report of this contest and further information concerning this popular tractor.
