All with this "Modern Farm Horse."

Oil Cooled—Frost Proof—Fire Proof

The owner of a HART-PARR TRACTOR can thresh early and save all his grain in prime condition. Then he can begin his FALL PLOWING early and have every acre turned before the ground freezes. When Spring comes he can do his sowing and seeding by the time his neighbors are getting slowly started. In fact it is a General Purpose Farm Motor that saves you time, money and worry at every turn. Hundreds of Canadian customers testify to its merits. Investigate its merits right now. A postal card will bring full particulars.
