

A safe that is worthy of the name must be capable of resisting high degrees of heat and of withstanding the shock of falling from great heights.

DOMINION SAFES AND VAULTS

have the advantage of the experience of the oldest and best safe and vault manufacturers on the Continent. Their security has been demonstrated under all adverse conditions. Only high-grade workmanship and material enter into their construction.

We have an unusually handsome catalogue, designed and printed especially for architects and bank managers. Write for a copy on your business stationery. However, you may prefer to phone Main 5507 and ask for the Safe Dept.
