LISTOWEL STANDARD.

FRIDAY, JULY 7, 1882.

THE nominations in British Columbia for the Commons took place on Monday. A dispatch from the Pacific slope conveys the intelligence that six candidates, all Ministerialists, are in the field for Victoria. All take strong ground against the Chinese. Polling takes place on July 21st.

IT is announced from Ottawa that Hon. A. W. McLelan, President of the Council, has been transferred to the Department of Marine and Fisheries, in the place of Hon. J. C. Pope. Mr. MaLelan has been acting Minister of Marine during the period of Mr. Pope's illness, and the ability and energy he has displayed in the administration of the department hitherto are an ample guarantee of the efficiency with which he may be expected to administer it in the future.

THE Manitoba elections took place on Tuesday; but as yet it is impossible to give the correct result. In Winnipeg Capt. Scott, Conservative, has been returned by about 100 majority. Marquette has probably returned Watson, Independent. The full returns for Selkirk are not yet to hand, but so far as heard from, Sutherland, Liberal, appears to be elected by a small majority. Lisgar was at first announced to have returned Ross, Independent; a later despatch from Winnipeg, however, states that Dr. Schultz is claimed to have been elected in Lisgar by 130 majority. Mr. Royal, Conservative, having been returned for Provencher by acclamation, this would give the Government three seats out of the five in Manitoba, leaving the remaining two represented, one by an Independent and one by a Liberal.

To the Editor of the STANDARD—*Sir*: In last week's issue of the Mitchell *Advocate* there appears the following—"Mr. James Fisher is spoken of as the next Reform Candidate for the Local House in North Perth. Mr. William Alexander will be his opponent." As to who the Reform Candidate will be is a question resting altogether in the hands of our Reform friends; but as to who will be the Conservative Candidate is a question in the hands of the Conservative party, and not in the hands of either Mr. Alexander or the Editor of the *Advocate*. Mr. Alexander, and, if I am not mistaken, one of the Editors of the *Advocate*, were present at Milverton, when the constitution of the Conservative party of North Perth was framed, and in which it was agreed that the Candidate for the Local House should be selected from one of the four northern municipalities, namely, Mornington, Elma, Listowel or Wallace.

CONSERVATIVE.

ONE MORE FOR THE GOVERNMENT.

Result of the Recount in Albert, N. B.--Wallace (Min.) Declared Elected Instead of Rogers (Opp.)

St. John, N. B., July 5.—The recount of the Albert county votes in the Dominion election took place yesterday before judge Botsford. Mr. Rogers' counsel, Mr. Weldon, took exception to the jurisdiction of the judge, on the ground that as the new County Court Act had come into force, he was not the judge under that Act. Judge Botsford decided that he had jurisdiction and the count proceeded. So far as it went it was favorable to Mr. Rogers, giving him a majority of one until Elgin, No. 2, and Alma, No. 1, were reached. In both these places the Returning Officers had not initialed the ballots, but simply the counterfoil, and the judge threw out all the votes cast for both candidates. Mr. Weldon asked for an adjournment to show that there were several precedents for not rejecting votes of this kind, but the judge would not grant it. Mr. Wallace (Conservative) gets the seat by a jority of 64. Mr. Rogers had been declared elected by 48 majority.

BURNS.

ACCIDENT.—On Monday, 19th ult., Mr. John Ingram while engaged in logging at Mr. A. Peffer's, was unfortunate enough to have one of his little fingers crushed between two logs. He had it dressed immediately by Dr. Parks of Milverton, and it is now doing well. We wish Mr. Ingram a speedy recovery.—COM.

TROWBRIDGE.

PIC-NIC.—The annual pic-nic in connection with the Trowbridge public school was held in Mr. Jackson's grove on Tuesday last. Unfortunately a heavy shower of rain came on in the afternoon, which put quite a "damper" upon the amusements. The pupils and their friends were naturally much disappointed, preparations for a good time having been made.

MILLBANK.

ACCIDENT.—An accident occurred last week in the gravel pit on Mr. W. Rutherford's farm. Statute labor was in progress when the bank fell, almost burying B. Gibson, who was working in the pit. When the poor fellow was dug out it was found that one of his legs was broken below the knee and he was otherwise badly bruised. Dr. Johnson set the broken limb. It is hoped that in a few weeks he will be convalescent.

MITCHELL.

Mr. Lumsden, head teacher of the High School, has tendered his resignation.

Mr. J. Flagg has been re-elected G. W. C. T., and Mr. A. Burritt has been re-elected Auditor of the Grand Lodge of I. O. G. T.

The Reform Association of Mitchell intend giving Mr. James Trow a complimentary supper at the Royal Hotel on Thursday evening next.

The crops in this section never looked better, the prospects for a good yield being excellent. Some of the fall wheat has been knocked down with the wind, but it may straighten up this week.

ATWOOD.

FOR MANITOBA.—Mr. T. Bennett, of the Atwood flour mills, started on Tuesday for the land of booms.

ACCIDENTS.—Messrs. Wm. Stewart and Benny Bell, two young men, working in Dunn's saw mill and cheese-box factory, had the misfortune to have each a hand badly cut with a circular saw. Their wounds were dressed by our new surgeon, Dr. Hamilton. Except a few weeks enforced idleness, no serious consequences are expected.

STREET IMPROVEMENT.—Our streets and sidewalks are being considerably improved at present by the old-fashioned method of statute labor. The Council are spending considerable money on the gravel road, but it is part of their creed that whatever money is taken out of the village in the shape of taxes, none of it will ever be spent there again.—COM.

WALLACE.

The recent rains have considerably improved the hay crop.

Mrs. Sweeton, relict of the late Alexander Sweeton, was severely injured by being thrown from a buggy while on her way to Listowel.

Messrs Henry and Balsar Schneider are having their barns raised and stone stabling placed under them, besides some large additions in the shape of straw-houses.

John Rupple has purchased 100 acres from Edward Sweeton for $3,400. Mr. Rupple previously sold his 50 acre farm to Mr. Detwiler for $2,400.

The Cedar Grove Factory shipped off their June make of Cheese up to the 20th of the month on Saturday. Mr. Ballantyne was the buyer, at 10⅝.

A CHURCH CEILING FALLS.—Just as the people were gathering at the Zion Methodist Church, sixth con. Wallace, the ceiling gave way and came down with a tremendous crash, demolishing the pulpit and most of the seats. Had it occurred ten or fifteen minutes latter a great number would in all probability have been killed. There were four persons in at the time, but they happened to be sitting in a favorable place, and were prevented from being crushed by the seats.

PALMERSTON.

The following items are culled from Wednesday's *Telegraph*:

The Palmerston postmaster has to make up 20 mails daily, namely, 12 bags for conveyance by the G. T. R'y. and 8 bags for the mail carried by the Great Western.

The annual sermon before the members of Blair Lodge, No. 324, A. F. & A. M., was preached on Sunday last by the Rev. J. Broley, in the Canada Methodist Church. The members of the Lodge marched to church in full regalia.

Dominion Day was celebrated in Palmerston with a Callithumpian procession in the morning and with games and races in the agricultural park later in the day. Appended is the list of prize winners in the horse races: Open running race 1st, G. Bugg's Maggie Brady; 2nd H. Powley's Hector Grant. Open trotting race, 1st, A. Davison's Maggie May; 2nd R. Hay's Happy Harry. Local trot—1st, John Moore's mare; 2nd Jackson's Grey Charley. Local run, 1st, H. Powley's Hector, 2nd, Terhim's bay mare.

PROPERTY OWNERS' ASSOCIATION.—On Tuesday evening a large gathering of owners of property in the town took place in the Council Chamber, and an association was formed, to be known as the Palmerston Property Owners' Association. Every owner of property in Palmerston is eligible for membership, and the society is strictly non-political. The following gentlemen were elected officers: W. H. Finnemore, President; Geo Hartley, Vice-President; James Gamble, Secretary; Lewis Knott, Treasurer; Executive Committee—Messrs. J. Kearns, H. Clements, F. Hazlewood, J. Pummel, A. Ranton, F. Kee, J. Best, J McKinlay, S. Gracie.

THE COMING TWELFTH.—The Orange celebration to be held in Palmerston on Wednesday next promises to be a grand affair. The number of Lodges will be about 39, and as several of them will be accompanied by brass bands it will be an enlivening gathering. Arrangements for the erection of seven triumphal arches have already been made, and it is expected that more will be put up. A large platform for the speakers will be erected on the market square, and speeches will will be delivered by prominent members of the Orange association as well as by gentlemen of the locality. All the hotels will supply excellent meals at 25c., and the ladies of the English Church will furnish dinners in the town hall at the same price. As special trains will be run on the 12th by both railways, it is probable the visitors will number from 2,000 to 3,000.

STRATFORD.

T. M. Daly, Jr., formely of Stratford, Ont., has been elected first mayor of Brandon.

Miss Jane A. Monteith, daughter of Mr. Samuel Monteith of Stratford, succeeded in winning the highest honors in Crayon drawing and oil painting at Alma College, St. Thomas, the other day.

LAYING THE CORNER STONE.—The ceremony of laying the corner stone of the new public building began about 5 o'clock p.m., on Dominion Day, and was presided over by the Hon. John Carling. The silver trowel used for the purpose was handed to the Hon. gentleman by Mayor Scrimgeour after he had been introduced by Mr. Hesson, M.P. The papers of the town, the Herald, Beacon, Kolonist, the Toronto Mail and Globe, and the London Free Press, together with the current silver coin of the Dominion, accompanied by the following scroll, were then inserted in the hollow space:

THIS
CORNER STONE
WAS LAID BY THE
HON. JOHN CARLING,
POSTMASTER-GENARAL
FOR THE DOMINION
OF CANADA,

On the 1st day of July A.D. 1882, in the 45th year of the reign of Her Majesty Queen Victoria. Lord Lorne, Governor-General of the Dominion of Canada. The Right Hon. Sir John A. Macdonald, K.C.B., Premier of the Dominion. Hon. John Costigan, Minister of Inland Revenue. Hon. Mackenzie Bowell, Minister of Customs. Samuel Rollin Hesson, member for North Perth. Thos. Fuller, Esq., chief architect, Department of Public Works. Jos. R. Kilburn, Esq., supervising architect, Stratford. Mr. John English Askwith, contractor. Mr. Alex Caven, collector inland revenue, Stratford. Mr. John Hamilton, collector customs, Stratford. After the ceremony the Hon. Mr. Carling made a short speech, and was followed by Mr. Trow, who admitted that if an honest Conservative was to be found it must be Mr. Carling. In short the speeches were of a "bury the hatchet kind" and had a Canadian rather than a party ring about them, which was very agreeable as a contrast to the more warlike ones we have all been treated to during the late campaign. Hon. Mr. Carling apologised on behalf of Sir John Macdonald and Sir H. Langevin for their absence. After the speeches, which were listened to by an immense crowd, the honored guest of the town partook of a lunch provided at the Windsor Hotel.—*Herald*.

GLENALLAN.

A Strawberry and ice-cream festival is to be held at Mr. Bryant's manse on Friday evening, July 7th. Admission 10 cts. Object not to make money, but a pleasant time for all.

Dr. McWilliams, of Glenallan, has bought the practice of Dr. Smith, of Drayton, and means to move to that village soon. His friends at Glenallan will wish him success in his new field of labor.

RACES.—It has been customary for the last twenty years in the quiet little hamlet of Glenallan to observe as a public holiday the anniversary of the coronation of Queen Victoria, and the celebration this year was expected to excel any heretofore held in this place, owing to the fact that the sporting men had obtained permission from Mr. G. Cosford to use the old Riding and Driving Park which has lately been purchased by that gentleman, and which is situated on the flats of the Conastoga River. Of course the most important part of the day's proceedings was the races. From an early hour of the day might be seen on nearly every road leading to the Glen, men women and children wending their way to participate in the day's amusements, and at the hour of 11 o'clock a. m. the street was so crowded that it was with difficulty the farmers could find room for their teams, or even get along the street. The neighboring towns and villages of Listowel, Drayton, Elmira and Linwood were well represented. According to announcement the fun was to commence at 1 o'clock, and by that time the ladies of the town had stationed themselves on the rising ground just north of the race course, anxiously awaiting the commencement of the exercises. There has been quite a change in the complexion of the lady visitors since the inauguration of these races. Formerly the "spectator's hill" was usually covered with colored ladies, but these have nearly all disappeared, and now the ladies of Glenallen show quite a taste for sporting amusements, so much so in fact that one would be led to think some had visited the English Derby. The following is the result of the races: No. 1, *Running Race*; purse, 1st $18, 2nd $7, 3rd $5. Northgrave's Ella Walker 1st, Powley's H. Grant 2nd, and Nellie Lyle, owned by J. B. Stoeser 3rd. No. 2, *Open Trotting Race*; purse same as above. 1st Maggie May, owned by A. Davidson; 2nd Happy Harry, owned by R. Hay; 3rd Haymaker, owned by J. J. Rainey. No. 3, *Running Race*; purse $15; 1st $10, 2nd $5. Fleet Bill, owned by J. Christian, 1st, and Powley's H. Grant, 2nd; 3 others started. No. 4, *Local Trot*; purse same as last. Maggie May 1st, and Haymaker 2nd; five started. At the close of the races Mr. Northgraves sold his racer, Ella Walker, to Mr. Hanna, of Flesherton, for $150. This racer has been very successful during the past two years. Mr. Northgraves won out of 9 races 8 firsts and 1 second. The footraces were won by Miller of Linwood, and A. Struthers. Thus closed one of the most successful meetings which has been held here for many years.—COM.

ENGLISH GRAMMAR.

Time—Three Hours.

1. "And, truly, he who here
Hath run his bright career,
And serv'd men nobly, and acceptance found,
And borne to light and right his witness high,
What can he better crave than then to die,
And wait the issue, sleeping underground?
Why should he pray to range
Down the long age of truth that ripens slow,
And break his heart with all the baffling change
And all the tedious tossing to and fro?

For this and that way swings
The flux of mortal things,
Though moving inly to one far-off goal
—What had our Arthur gain'd, to stop and see,
After light's term, a term of cecity,
A Church once large and then grown strait in soul?"

—MATTHEW ARNOLD, *on the Death of Dean Stanley*.

ii. "Cowper had the power to knit the thong of satire, it sometimes seems, in quite equal strength to Pope. Take him all in all, we prefer him far before Pope."

iii. The myrtles and ivy of sweet two-and-twenty
Are worth ail your laurels, though ever so plenty.

iv. The isles of Greece, the isles of Greece,
Where burning Sappho loved and sung,
Where grew the arts of war and peace,
Where Phœbus rose and Delos sprung.

v. No event is too extraordinary to be impossible.

vi. "'T was in Trafalgar's bay
We saw the Frenchman lay."

A considerable proportion of the strawberries sent into the Paris market come from Brittany, and the largest gardens are in the neighborhood of Brest, the commune of Plougastel having upward of five hundred acres devoted to the growth of strawberries. It is estimated that 3,150 tons of strawberries are grown at Plougastel in an average year, and of this quantity two thirds are sent to Paris, the remainder being consumed in the various towns of Brittany. The crop is, in a fairly good year, about six tons to the acre; and this is equivalent to an income of about $750 per acre. The picking of the strawberries begins about the 20th of May, and lasts throughout the month of June, when the variety of strawberry known as the Chili plant—imported from South America in 1715—comes in, and lasts until the end of July. The Plougastel strawberry beds are up in the cliffs overhanging the sea, and in very few cases do they extend more than half a mile inland. The beds are about fifty yards long, and they are enclosed by small fences or stone walls, which protect the plants from the wind, and attract the solar heat.

Rough Siege Laid to Him.

Mr. James O. Neville, the well known General Import and Export Agent of the "Allen Line," and General Dominion Shipping Agent, of 538 Dorchester street, Montreal, is an active member of the Shamrock La Crosse Club. "While on a late exhibition trip to the States," said Mr. Neville to the writer, "my old foe, the rheumatism attacked me, and gave me a rough siege. I suffered with the ailment all through my trip and long after my return home. I tried several remedies and found them entirely useless. Having read the indorsements of well known people who had used St. Jacobs Oil, and been cured thereby, I determined to give it a trial. Upon the first application, I saw at once it was what I required. In two weeks time I was as well as ever, and fully able to attend to my business. I have not had the least suggestion of rheumatism since. It certainly is a remarkable remedy and one that seems to me infallible."
