ne of the newspapers of the town agitating the erection of a bridge ross the Restigouche river at Camp-ellton. It is thought that it such a idge were erected the Atlantic-Quec and Western Railway Company ould acquire or obtain running rights ver the International and proceed by yay of Campbellton to Gaspe, which is ow having visions of becoming a mail nd passenger port if not a terminus of fast Atlantic steamship line.

The town council on recommendation the School Board has appropriated 300 for the purpose of increasing the laries of the town teachers. It is a tep in the right direction. There is no lass of trained workers that are so poorly paid as those who belong to the aching profession.

C. J. Mersereau, principal of Horton ademy, remained over Sunday, the ruest of Rev. P. J. Stackhouse, and at he morning service preached a very houghtful sermon on the educative lement in Christianity.

The town has reason to feel proud of he work of several of its young men. Dr. Everett W. Grey, son of Wm. P. Grey, has recently been appointed in harge of the outside surgical department in connection with the Montreal General Hospital.

A. E. McKenzie, who received his early training at the High School of he town and who subsequently entered as a law student in the firm of Murray the Kings College Law School of St

### HAPPENINGS IN SCOTT ACT TOWN

MONCTON, June 24.—Thirsty thieves broke into a portion of Babang's wareouse cellar, either on Saturday or Sunday night and got away with several cases of beer which was stored in portion of the cellar occupied by Henri Cormier, proprietor of the local hotel. The thieves pried the fron bars off the window, broke in the glass, and

thus effected an entrance. Claiming that he had been drugged and then robbed. William H. Andrews an Englishman employed on construction at the I. C. R.'s new shops, laid information today against James Flavin, and the latter was arrested. Andrews claims that yesterday afternoon ie was induced to go to a publ wharf, and there given a drink, ter which he recollected very little, except that he saw Flavin taking goods and was powerless to resist. Andrews says he was robbed of eight dollars in bills, an English sovereign, and a tobacco rouch, the total value being about fourteen dollars.

Canadian Rubber Business

Mikado Confers "Order of Special Treasurer," on Sir Thos. Shaughnessy fer Courtesies to Fushimi

MONTREAL, June 24.-It is persistently rumored in local financial circles that the United States Rubber Company, which has practically a monopoly of the rubber manufacturing trade of the United States, had secured the controlling interest in the Canadian Consolidated Rubber Company, which will give the new amalgamation a practical monopoly of the rubber manufacturing trade of Canada....

The announcement of the deal was made by a very large holder of the Canadian company's shares and one letails of the transaction: It is further reported that the lead-

ing officials of the Consolidated Rubber Company will remain on the management of the Canadian company for a period of two years. Political a Sir Thomas Shaughnessy received today from Councillor M. S. Nagasaki,

secretary to Prince Fushimi and secretary of state for Japan, the following telegram, dated lo Victoria, B. C., June 3rd am commanded by Prince Fushimi to inform you that in recognition of your service to his imperial during his visit to Canada his imperial highness is pleased to confer upon you in the name of his majesty the

upon you in the name of his majesty the Emperor of Japan, the second class of the order of the Sacred Treasure."

The order of the Sacred Treasure is the most illustious of Japanese knighthoods. The first class is reserved for princes and noblemen of high rank, and the second class is conferred on distinguished men in recognition of meritorious services.

TWO BUILDINGS

REXTON, N. Bardune 24.-About 12 barns, a short distance away. The barn contained a valuable lot of farming imand other articles. A large number of brigade got to work, but it was soon seen that it was useless to try to save the barn. The contents were removed to a place of safety and fences torn down to prevent the further spread of. the fire. The wind at the beginning of the fire was blowing a strong bree

to south, and it was thought for a time that Mr. Cail's house would catch, but fortunately the fire was confined to the bern and hall. The barn was partly insured. The hall was built about fiftyfive years ago and was at the time considered a fine building. It has not been used for about ten years and was badly wrecked. It was uninsured and owned by J and W. Brait. It is not known
