GENERAL VON KLUCK

Is Reported to Have Died From Injuries Received in Battle.

[By Special Wire to the Courier]
PARIS, Nov. 5.—A dispatch from the correspondent of the Excelsior at Havre says he has, from a source which he cannot designate, news of the death of General Van Kluck ten days ago in a hospital at Namur, where he was treated for a wound in the head. The news of the alleged death, the correspondent says, has been carefully concealed in Belgium and Germany.

General Von Kluck, who led the dash of the German right wing which got to within a few miles of Paris in the first month of the fighting, has been reported within the last few days in official communications, as directing his army in the fighting on the River Aisne. When the scene of severe fighting shifted to Belgium and the German right wing was extended into that territory, General Von Kluck following his skillful retreat from the vicinity of Paris, remained in the position he had taken on the Aisne. Cainsville News

[From Our Own Correspondent]

Rev. Mr. Plyley had charge of the service Sunday morning and preached a very helpful sermon based on 1 Cor. 11: 2. The Sacrament was also dispensed. In the evening, Rev. Mr. Ewers delivered a very eloquent address, his text being found in Acts 19: 1-2. A solo, Somebody, was very effectively sung by Miss Norrie.

League was held on Monday evening, the President, Miss Hawley, occupying the chair. The topic on Trust was read by Miss Smith. Miss Dalton read the poem entitled, Trust in God and do the Right, and a solo in am Trusting was sung by Miss Norrie. As it was consecration evening, the responses were bright and helpful.

A junior league was organized on Friday night and the following officers were elected: Superintendent, Miss Gladys Wolz; Assistant Superintendent, Miss Addie Norrie; President, Aubrey Robinson; 1st. vice-president, Marjorie McCann; Treasurer, Howard Dougherty; Secretary, Olive Turvey; Pianist, Beulah Miles; Assistant Pianist, Gladys Tottle.

A very enjoyable evening was spent at the home of Mr. and Mrs. L. Myers on Thursday evening, when nearly to the number of twenty assembled and spent the evening in games and music.

The Misses Wolz were hostesses to a Halloween and Hard Times party on Saturday evening. The rooms were appropriately decorated with Jack Lanterns and even the traditional ghost was not absent. A feature of the occasion was the great variety of costumes, which created much merriment. The evening was spent in games and music, after which refreshments were served. When the guests were about to depart each had his fortune told and with no other excitement than that caused by an encounter with a ghost they arrived home safely.

CITY WILL PROCEED

(Continued from Page 1)

Strong Petition
A strongly signed petition was received from West Brantford and Holmedale, requesting that work on the proposed park drive be proceeded with.

The Park Drive
In explaining the proposition, Ald. Ward said that the more the boards of works looked into the park drive the less attractive it looked when it came to providing employment. Advice received was to the effect that two men could be employed outside of the drive for each team employed. A bridge over the hydraulic canal at a cost of \$4,000 was required. Ald. Ward declared that this was useless and unnecessary. Another item was for fencing. A dyke had to be built from 15 ft. to 18 ft. above the river. The proposition was to build a fence at a cost of \$3,107. In order to get material, a ramp had to be built into the river at a cost of \$300. No member of the board of works, objected to the scheme because employment was to be furnished. There was other work however which could be undertaken which would be of benefit to the city at large. The drive would be used by very few and those only for pleasure. If there was any other necessary work, it should be undertaken with a preference to this. The house of Refuge and the Sanatorium, both needed a sanitary sewer. There was a real job to undertake, which would be of use and it would give a lot of work to the city. The grading of Dundas street should be widened and South Market street should be extended. The latter job would employ a large number of hands and was really important. The streets of Brantford could stand \$100,000 in repairs, chiefly labor.

Other Discussion
Ald. Gabeck said he endorsed the park drive scheme on its first presentation and was still prepared to endorse it unless some other better scheme for employment were presented. If there was other necessary work, the improvement of streets, the construction of drainage and sanitary sewers, etc., then this work should be proceeded with.

Attention will now be turned to recruiting the artillery and other units called for under the war office memorandum, it was announced at militia headquarters to-day. A total of 131 infantry raised in Ottawa, trained for the divisional mobilization point at Kingston this afternoon. Instructional schools for officers are being established at all the military centers.

No other news of the fight is available up to date, according to the despatch and there is no news of the Glasgow, Good Hope or Oranto. The Times despatch says that it is believed all of the Monmouth's crew were lost, and it also relates that the German officers testify to the great gallantry of the crew of the Monmouth, which while in a sinking condition attempted to ram one of the German vessels. The universal opinion in Valparaiso is that the German squadron was always well provided with wireless information, while the contrary was the case with the British squadron. LONDON, Thursday, Nov. 6.—The Admiralty has issued a statement in which it says it has received from German sources details of a naval engagement of the Chilean coast, in which the British cruiser Monmouth, was sunk and the cruiser Good Hope
